For the quarter ended 30 June 2015, Atrium REIT recorded total income of RM7,031,334 which is 83.7% higher than the last corresponding quarter of RM3,828,478. Income before taxation for the quarter of RM5,626,632 represents an increase of 105.0% compared to RM2,745,229 achieved in the last corresponding quarter.

The total income and income before taxation (realised) for the quarter under review increased significantly due mainly to the gain in the disposal of Atrium Rawang even though there was decrease in gross revenue. The decrease in gross revenue is due to the rent free period for Atrium Shah Alam 1, rental void in Atrium Puchong and the loss of rental income resulting from the disposal of Atrium Rawang.

B4. Comparison with Preceding Quarter

	<u>5,469,055</u>	<u>2,102,169</u>

Atrium REIT's Net Income for the quarter ended 30 June 2015 is significantly higher compared to the preceding quarter due to the gain in disposal of Atrium Rawang even though there was a decrease in gross revenue. Gross revenue decreased due to the rent free period for Atrium Shah Alam 1 and loss of rental income resulting from the disposal of Atrium Rawang.

B5. Maintenance Costs and Major Capital Expenditure

Atrium Shah Alam 2

No major capital expenditure was incurred by Atrium REIT during the quarter under review. However, the Manager is proposing to carry out a major refurbishment exercise ("Proposed Refurbishment") to maintain, rectify and upgrade Atrium Shah Alam 2 during the year. Once the scope and cost of the Proposed Refurbishment have been confirmed, the unitholders will be updated via announcements on the Bursa Securities' website.

Nonetheless, the Manager continues to monitor closely the state and condition of the warehouse floor slab during this period.

B6. Prospects

Atrium Shah Alam 2 ("ASA2")

The tenancy for ASA2 had expired on 31 May 2015. However, the existing tenant has informed the Manager that they intend to extend the tenancy for another 4 months until 30 September 2015. The Manager is in discussion with prospective tenants to rent ASA2 upon the completion of the Proposed Refurbishment mentioned above.

Atrium Puchong ("AP")

The lease for AP has expired on 18 September 2014 and the Manager has been working closely with property agents to actively source for a new tenant. At the date of this report, the Manager is in discussion with a few prospects but no new tenant has been secured mainly due to the bad road condition and the traffic congestion in the vicinity of AP as a result of the on-going LRT construction works. The said works are expected to be completed in 1st quarter of 2016.

Atrium Rawang ("AR")

The proposed disposal of AR was completed on 29 April 2015.

The Manager expects the rental void in AP and ASA2, during the Proposed Refurbishment, to affect the financial performance of the REIT for the financial year ended 2015 and 2016. However, the Manager will endeavor to lessen the impact by working with agents and existing tenants to source for a new tenant in order to minimize the rental void in AP. As for ASA2, the Manager is in the midst of confirming the scope and working closely with the relevant consultants to prepare and submit the necessary documentations to the relevant authorities so that the Proposed Refurbishment can be carried out once the tenant vacates the premises.

The Manager will continue to actively identify good assets for new acquisition to improve the yield and to continue focusing on the strategy of having the investment properties leased long-term to reputable tenants.

B7. Portfolio Composition
