To: The Shareholders of JIANKUN INTERNATIONAL BERHAD

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1. INTRODUCTION

On 10 May 2021, the Board announced that the Company proposes to seek the shareholders' approval on the Proposed Renewal of Share Buy-Back Authority at the forthcoming 37th AGM of the Company.

The purpose of this Statement is to provide you with the information of the Proposal and you're your approval for the ordinary resolution pertaining to the Proposed Renewal of Share Buy-Back to be tabled as a Special Business at the forthcoming 37th AGM of the Company, to be held on [date]. The Notice of the 37th AGM containing the above ordinary resolution under Special Business, together with the Form of Proxy is available at the Company's website at www.jki.com.my.

SHAREHOLDERS OF JIANKUN ARE ADVISED TO READ AND CONSIDER THE CONTENTS OF THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE ABOVE PROPOSAL.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

2.1 PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board of Jiankun had, during the AGM held on 3 September 2020 obtained its shareholders' approval to its proposed share buy-back authority to purchase up to 10% of the total number of issued shares of the Company as quoted on Bursa Securities as at the point of purchase. In accordance with the Listing Requirements governing a listed company's purchase of its own shares, the aforesaid approval will lapse at the conclusion of the forthcoming AGM unless a new mandate is obtained from the shareholders.

In connection thereto, the Company had on 10 May 2021 announced its intention to seek approval of its shareholders on the Proposed Renewal of Share Buy-Back Authority at the forthcoming AGM of the Company which will be held on 30 June 2021.

The Board proposes to seek approval from the Company's shareholders for a renewal of authority to enable Jiankun to purchase up to 10% of its total number of issued shares as quoted on Bursa Securities as at the point of purchase.

For illustrative purposes, as at LPD, the total number of issued shares of Jiankun stood at 201,872,619 ordinary shares. Assuming that no further Jiankun Shares are issued and none of the ESOS are exercised. As at LPD, the maximum number of shares that can be purchased pursuant to the Proposed Share Buy-Back Authority is 20,187,261 Jiankun Shares. The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back Authority will be limited to the amount of the audited retained profits of the Company as at 31 December 2020.

The Proposed Renewal of Share Buy-Back Authority, once approved by the shareholders, shall be effective upon the passing of the ordinary resolution pertaining thereto at the forthcoming 37th AGM and shall continue to be in force until:

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution is passed, at which time the authority will lapse unless renewed by ordinary resolution, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders of the Company in general meeting,

whichever occurs first.

The shareholders' approval for the Proposed Renewal of Share Buy-Back Authority does not impose an obligation on the Company to purchase its own Shares on Bursa Securities. The actual number of shares to be purchased, the total amount of funds involved for each purchase and the funding of the purchase will depend on the market conditions and sentiments of the stock market as well as the financial resources available to the Company.

Nevertheless, the Board will ensure that the Company satisfies the solvency test as stated under the Act before executing any buy-back of its own shares.

2.1.1 MAXIMUM AMOUNT OF FUNDS TO BE ALLOCATED AND THE SOURCE OF FUNDS

In accordance with the Listing Requirements, the Proposed Renewal of Share Buy-Back Authority must be made wholly out of retained profits of the Company. The maximum amount of funds to be allocated by the Company for the Proposed Renewal Share Buy-Back Authority shall not exceed the retained profits of the Company.

Based on the latest audited financial statements of Jiankun as at 31 December 2020, the Company's audited accumulated losses is RM25,511,892.

The Proposed Share Buy-Back Authority will be funded by internally generated funds and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, actual number of Jiankun Shares to be purchased and other relevant factors. The actual number of Jiankun Shares to be purchased and/or held, and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock markets as well as the retained profits and financial resources available to the Company. In the event that the Proposed Share Buy-Back Authority is to be partly financed by external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have a material effect on the cash flow of the Group.

2.1.2 TREATMENT OF THE PURCHASED JIANKUN SHARES

In accordance with Section 127(4) of the Act, the Directors may, at their discretion, deal with Jiankun Shares in the following manners:

- (i) to cancel the Shares so purchased; or
- (ii) to retain the Shares so purchased as treasury shares which may be distributed as share dividends to the shareholders of Jiankun and/or be resold on Bursa Securities in accordance with the relevant rules of Bursa Securities and/or be cancelled subsequently; or
- (iii) combination of items (i) and (ii) above.

As at the date of this Statement, the Board has yet to decide on the treatment of the Shares so purchased and will take into consideration the effects of such treatment on the Company in arriving at its decision. An immediate announcement will be made to Bursa Securities upon each purchase, cancellation and/or resale of Shares pursuant to the Proposed Renewal of Share Buy-Back Authority.

If such Purchased Jiankun Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in rights, allotments and/or other distributions are suspended and the Purchased Jiankun Shares shall not be taken into account in calculating the number or percentage of shares or a class of shares in the Company for any purpose including determination of Substantial Shareholders, takeovers, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on a resolution at meetings of the shareholders.

2.1.3 PURCHASE/RESALE PRICE

Pursuant to the Listing Requirements, Jiankun shall purchase its own shares or resale its treasury shares (if applicable) only on the market of Bursa Securities at a price which is not be more than fifteen percent (15%) above the weighted average share price of Jiankun Shares for the five (5) Market Days immediately preceding the date of the purchase.

In the case of resale of treasury shares, the Company may only resell the Shares on Bursa Securities at:

- (a) a price which is not less than the weighted average share price of Jiankun Shares for the five (5) Market Days immediately prior to the resale; or
- (b) at a discount of not more than five (5%) to the weighted average share price of Jiankun Shares for the five (5) Market Days immediately prior to the resale provided that:
 - (i) the resale takes place not earlier than 30 days from the date of the purchase; and
 - (ii) the resale price is not less than the cost of purchase of the shares being resold.

The aforesaid Treasury Shares shall not be entitled to any of the right attached to the existing Shares of the Company as to voting, dividends and participation in other distribution or otherwise, are suspended and shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of Section 127(8) of the Act, the Constitution of the Company or the Listing Requirements on substantial shareholdings, takeovers, notices, the requisitioning of Meetings, the quorum for meetings and the result of a vote on a resolution of a Meeting.

2.1.4 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority would allow the Company to utilise its financial resources more efficiently especially where there is no immediate use and it may strengthen the consolidated EPS of the Group.
- (b) The Proposed Renewal of Share Buy-Back Authority will also provide the Company opportunities for potential capital gains if the purchased Jiankun Shares which are retained as treasury shares are resold at prices higher than the purchase prices and such proceeds may be subsequently used for investment opportunities arising in the future, working capital and/or to be distributed as dividends to shareholders; and
- (c) In the event the treasury shares may distributed as share dividends to the shareholders, it will serve to reward the shareholders of Jiankun.
- (d) The Proposed Renewal Share Buy-Back Authority may also stabilise the supply and demand of Jiankun Shares traded on Bursa Securities and reduce the volatility of the share prices. The stability of Jiankun Shares price is important to maintain investors' confidence in order to facilitate future fund raising exercises of the Company via the equity market.

2.1.4 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY (CONT'D)

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:

- (a) The Proposed Renewal of Share Buy-Back Authority, if implemented, will reduce the amount of financial resources available for distribution to the shareholders of the Company.
- (b) If the Company decides to utilise bank borrowings to finance the Proposed Renewal of Share Buy-Back Authority, the Company's cash flow may be affected to the extent of the interest costs associated with such borrowings.
- (c) The funds allocated for the Proposed Renewal of Share Buy-Back could be used for other better investment opportunities which may emerge in the future.
- (d) As the Proposed Renewal of Share Buy-Back Authority can only be made wholly out of the Company's retained profits, it may result in the reduction of distributable reserves available for distribution to the shareholders.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after in-depth consideration of the financial resources of the Group and its resultant impact. The Board is mindful of the interest of the Company and the shareholders and will be prudent with respect to the above exercise.

2.1.5 PUBLIC SHAREHOLDING SPREAD OF JIANKUN

Pursuant to the Listing Requirements, the Proposed Renewal of Share Buy-Back Authority will be carried out in accordance with the prevailing laws at the time of the purchase including compliance of twenty-five (25%) public shareholdings spread. Based on the Company's Record of Depositors as at LPD, the public shareholding spread of the Company was 82.93%. The Board will endeavor to ensure that the Company complies with the public shareholding spread requirements and shall not buy back the Company's own shares if the purchase would result in the public shareholding spread requirements not being met.

2.1.6 IMPLICATION RELATING TO THE CODE

Pursuant to the Code, a person and any parties acting in concert with him will be required to make a mandatory offer for the remaining Jiankun Shares not already owned by him/her/them if his/her/their stake in the Company is increased to beyond 33.0% or if his/her/their shareholdings is between 33.0% and 50.0% and increases by another 2.0% in any six (6) months period.

However, an exemption from mandatory offer obligation may be granted by the SC under the Code subject to the parties acting in concern complying with the conditions stipulated in the Code.

The Company intends to implement the Proposed Share Buy-Back Authority in the manner that will not result in any of the shareholders having to undertake a mandatory offer pursuant to the Code. In this respect, the Board will be mindful of the requirements of the Code when implementing the Proposed Share Buy-Back Authority.

2.1.6 IMPLICATION RELATING TO THE CODE (CONT'D)

Based on the shareholdings of the substantial shareholders of the Company as at LPD and assuming the Proposed Share Buy-Back Authority is carried out in full, none of the substantial shareholder together with any person acting in concert with them will trigger a mandatory general offer under the Code.

2.1.7 PURCHASE, RESALE AND CANCELLATION OF SHARES MADE IN PREVIOUS TWELVE (12) MONTHS

The have not been any previous purchases of Jiankun Shares, resale, transfer and/or cancellation of treasury shares by the Company in the previous twelve (12) months preceding the date of this Statement as the Company has yet to purchase any of its shares. As at the date of this Statement, the Company does not hold any treasury shares.

2.2 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority will enable the Company to utilise its surplus financial resources more effectively. It may also assist in stabilising the supply and demand as well as the market price of its Shares traded on Bursa Securities.

In addition, the Purchased Jiankun Shares may be held as Treasury Shares and resold on Bursa Securities with the intention of realizing a potential gain without affecting the total number of issued shares of the Company. In the event the Treasury Shares are distributed as share dividends to shareholders, this would serve as a reward to do the shareholders of the Company.

Nevertheless, the Board will be mindful of the interest of Jiankun and its shareholders in undertaking the Proposed Renewal of Share Buy-Back Authority and in the subsequent cancellation to the Purchased Shares.

2.3 EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

Assuming that the Company purchases Shares representing ten percent (10%) of its total number of issued shares as at LPD, the effects of the Proposed Renewal of Share Buy-Back Authority on share capital, NA, working capital, earnings and shareholdings of Directors and Substantial Shareholders of the Company, are set out below:

2.3.1 SHARE CAPITAL

The effect of the Proposed Renewal of Share Buy-Back Authority on the issued share capital of the Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares. The Proposed Share Buy-Back will result in a reduction of the issued share capital of the Company if the Purchased Shares are cancelled.

In the event that the maximum number of Jiankun Shares (of up to 10% of the latest total number of issued shares) authorised under the Proposed Renewal of Share Buy-Back Authority are purchased and retained as treasury shares, there would be no effect to the issued share capital of Jiankun.

However, assuming that the maximum number of Jiankun Shares (of up to 10% of the latest total number of issued shares) authorised under the Proposed Renewal of Share Buy-Back Authority are purchased and cancelled, the effects of the Proposed Share Buy-Back are set out below:-

Minimum Scenario: Assuming none of the outstanding Warrants is exercised into new Shares.

Maximum Scenario: Assuming all the outstanding Warrants is exercised into new Shares.

	Minimum Scenario	Maximum Scenario
	No. of Shares	No. of Shares
Total number of Jiankun Shares as at LPD	201,872,619	201,872,619
To be issued assuming full exercise of the total outstanding warrants issued pursuant to the conversion of Warrants	-	74,204,889
Enlarged Total number of Issued Shares	201,872,619	276,077,508
Less: Maximum number of Jiankun Shares that may be purchased and cancelled pursuant to the Proposed Share Buy-Back	(20,187,261)	(27,607,750)
Resultant Total issued number of shares	181,685,358	248,469,758

However, the Proposed Renewal of Share Buy-Back Authority will not have effect on the total number of issued shares of Jiankun, assuming the purchased shares are to be retained shares, resold on Bursa Securities or distributed as share dividends to shareholders.

2.3.2 NET ASSETS

The effect of the Proposed Renewal of Share Buy-Back Authority on the Net Assets of the Group will depend on the number and the purchase prices of the Purchased Shares, the effective funding cost to the Group to finance the purchase of shares or any loss in interest income to the Group.

Depending on the purchase price and the number of Shares purchased, the Proposed Share Buy-Back will reduce the consolidated Net Assets per share at the time of purchase if the purchase price exceeds the consolidated Net Assets per share and conversely will increase the consolidated Net Assets per share at the time of purchase if the purchase price is less than the consolidated Net Assets per share.

Should the Purchased Shares be resold, the consolidated Net Assets per Share will increase if the Company realizes a gain from the resale, and vice versa.

If the Purchased Shares which were held as Treasury Shares, are distributed as share dividends, the consolidated Net Assets per share will decrease by the cost of the Treasury Shares.

2.3.3 WORKING CAPITAL

The Proposed Renewal of Share Buy-Back Authority, as and when implemented, will result in an outflow of cash and thereby reduce the working capital and cash flow of Jiankun Group. The quantum of reduction in working capital is dependent on the purchase price and number of Jiankun Shares purchased.

However, for Jiankun Shares so purchased and kept as treasury shares, upon its resale at a higher selling price than the initial purchase price, the working capital and the cash flow of Jiankun Group will increase. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

2.3.4 EARNINGS PER SHARE

The effects of the Proposed Renewal of Share Buy-Back Authority on the consolidated earnings of Jiankun would depend on the purchase price and number of shares purchased as well as the effective funding cost to the Company in implementing the Proposed Renewal of Share Buy-Back Authority.

2.3.5 DIVIDENDS

Assuming the Proposed Share Buy-Back Authority is implemented in full, the Proposed Renewal of Share Buy-Back Authority will have an effect of increasing the dividend rate per ordinary share of the Company as a result of the reduction in the total number of issued shares of Jiankun.

Nevertheless, the decision to declare and pay dividends in the future would depend on the performance, cash flow position and financing requirements of Jiankun Group. The Board may have the option to distribute future dividends in the form of the Treasury Shares purchased pursuant to the Proposed Renewal of Share Buy-Back Authority.

2.4 INTEREST OF DIRECTORS, MAJOR AND/OR SUBSTANTIAL SHAREHOLDERS AND PERSON CONNECTED TO THEM

Save for the proportionate increase in the percentage of shareholding and/or voting rights in their capacity as the shareholders of the Company pursuant to the Proposed Renewal of Share Buy-Back Authority, none of the Directors, major/substantial shareholders and/or person connected to them have any interest, direct or indirect, in the Proposed Renewal of Share-Buy Back Authority or resale of Treasury Shares.

THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK

2.4 INTEREST OF DIRECTORS, MAJOR AND/OR SUBSTANTIAL SHAREHOLDERS AND PERSON CONNECTED TO THEM (CONT'D)

For illustration purposes only, based on the Record of Directors' Shareholding and Substantial Shareholders as at the LPD and assuming the repurchase of Jiankun Shares by the Company pursuant to the Proposed Share Buy-Back is carried out in full, the pro forma effect of such purchase on the shareholdings of the substantial shares and directors' of Jiankun are as follows:-

2.4.1 Minimum Scenario: Assuming none of the 74,204,889 outstanding Warrants 2014/2021 ("Outstanding Warrants") is exercised into new Shares.
