

KERJAYA PROSPEK GROUP BERHAD (122592-U)
34TH ANNUAL GENERAL MEETING HELD ON 28 MAY 2018

QUESTIONS AND ANSWERS

KEY MATTERS DISCUSSED

- 1. What is the future prospect of Kerjaya under the current challenging political environment?**

Despite the challenging business environment, Kerjaya had not participate in any government job. All construction projects undertaken by Kerjaya currently are mainly of high rise buildings and that has been the main focus of the Company in the past 3 years. The market outlook of Kerjaya is positive. The Board is expecting to secure more jobs and is targeting to achieve a total of RM1.0 billion contract for this year.

- 2. What is the issue price of Kerjaya's share (i.e. the par value of Kerjaya's share before the no par value regime coming into force?)**

The nominal value of Kerjaya's ordinary share is RM0.50 each.
