

KUALA LUMPUR (Aug 25): Construction and property firm Kerjaya Prospek Group Bhd (KL:KERJAYA) on Monday posted a record-high quarterly net profit, lifted by stronger contributions from its property development division and a higher topline from its other businesses.

It made a net profit of RM54.44 million for its second quarter ended June 30, 2025 (2QFY2025), up 46.8% from RM37.08 million in 2QFY2024, as revenue surged 36.4% to RM539.46 million from RM395.41 million, its bourse filing showed.

The group declared a second interim dividend of 3 sen per share, amounting to RM37.8 million, payable on Sept 26. This brings its year-to-date payout to 6 sen per share — or RM75.5 million in total — compared with 5 sen or RM63.05 million in the previous corresponding period.

Moving forward, chief executive officer and executive director Tee Eng Tiong said the group's recent acquisition of three freehold land parcels totalling 7.4 acres along Jalan Puchong, Kuala Lumpur, represents a strategic step in strengthening its property development pipeline in the Klang Valley.
