

Kerjaya Prospek secures RM223m Sunway deal

KUALA LUMPUR: Construction outfit Kerjaya Prospek Group Bhd, via its wholly owned subsidiary Kerjaya Prospek (M) Sdn Bhd has secured a RM223 million contract from Sunway Majestic Sdn Bhd for the construction and completion of main building works for a proposed Small Office/Home Office (Soho) development in Johor Bahru.

The project comprises 1,012 Soho units across two 34-storey buildings, alongside a 10-level podium car park, two levels of mezzanine commercial space, amongst others. Construction, scheduled to commence on Sept 1, 2026, is targeted for completion within 32 months.

Kerjaya CEO and executive director Tee Eng Tiong said, "We are delighted to secure another new contract, further expanding our presence in the southern region, particularly in Johor Bahru City Centre, which is poised to benefit from the upcoming Rapid Transit System (RTS) link. We are grateful for Sunway Majestic's trust and confidence in Kerjaya, and we look forward to contribute our construction expertise and capabilities to the successful delivery of this development."

Notably, he added, this marks their third new contract win in Johor Bahru since 2025, reflecting their ability to capture opportunities in this strategic growth corridor.

Our year-to-date FY26 new contract wins have reached RM2.4 billion, well above our initial target of RM2 billion for the year. Together with our total outstanding order book of RM5 billion, this provides us with strong earnings visibility over the coming years," said Tee.
