Measure	:	Please explain the measure(s) the company has taken or intend to take to adopt the practice.	
Timeframe	:	Choose an item.	

Intended Outcome

The company addresses sustainability risks and opportunities in an integrated and strategic manner to support its long-term strategy and success.

Practice 4.5- Step Up

The board identifies a designated person within management, to provide dedicated focus to manage sustainability strategically, including the integration of sustainability considerations in the operations of the company.

Note: The explanation on adoption of this practice should include a brief description of the responsibilities of the designated person and actions or measures undertaken pursuant to the role in the financial year.

Application	:	Not Adopted
Explanation on adoption of the practice	:	There is no dedicated or designated person at this juncture within management – however, this role and work scope is co-managed and shared by the executive director and members of the management team.

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.1

The Nomination Committee should ensure that the composition of the board is refreshed periodically. The tenure of each director should be reviewed by the Nomination Committee and annual re-election of a director should be contingent on satisfactory evaluation of the director's performance and contribution to the board.

Application	:	Applied
Explanation on application of the practice	:	<p>In line with the MCCG, the Board through the NC performs an annual review of the Board's composition to determine if the Board has the appropriate make up with regard to aspects such as size, diversity, independence and alignment to the Company's objectives and strategic goals.</p> <p>Based on its annual review, the Board is satisfied that the current Board composition is strongly suited to provide effective oversight and delegation of responsibilities, in alignment with the strategic objectives of the Group.</p>

Measure	:		
Timeframe	:		

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.3

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should provide justification and seek annual shareholders' approval through a two-tier voting process.

Application	:	Applied
Explanation on application of the practice	:	<p>The Board subscribes to an open policy on the tenure of INEDs whereby there should not be an arbitrary tenure be imposed on the INEDs. The Board believes that the length of tenure of Independent Directors on the Board does not interfere with their objective and independent judgement or their ability to act in the best interest of the Company. In addition, the Board will take into consideration of the existing board composition viz-a-viz the commercial interest/ benefits of the Company.</p> <p>The Board takes cognisant that Practice 5.3 of MCCG recommends that the tenure of an independent director should not exceed a term limit of nine (9) years. Upon completion of the nine (9) years, an independent director may continue to serve on the Board as a non-independent director. In the event such director is to be retained as an independent director, the Board would first justify and seek annual shareholders' approval through a two-tier voting process. As at the date of this report, none of the independent directors is currently serving beyond nine (9) years.</p>

Measure	:	
Timeframe	:	

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.4 - Step Up

The board has a policy which limits the tenure of its independent directors to nine years without further extension.

Note: To qualify for adoption of this Step Up practice, a listed issuer must have a formal policy which limits the tenure of an independent director to nine years without further extension i.e. shareholders' approval to retain the director as an independent director beyond nine years.

Application	:	Not Adopted
Explanation on adoption of the practice	:	

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.5

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

Application	:	Applied
Explanation on application of the practice	:	<p>The Board has taken into consideration factors like age, qualification, capability, experience and mix of skills when making decision in the appointment of Director.</p> <p>The NC is tasked with the responsibility of assessing and recommending to the Board of suitably qualified candidates for appointment as Director.</p> <p>The review is conducted on an annual basis, and as and when the need arises, such as when a new Director is appointed. In determining the candidates for appointment to the Board Committees, various factors are considered by the NC, including but not limited to the following factors:</p> <ul style="list-style-type: none"> • the needs of the particular Board Committees; • the results of the Board Effectiveness Evaluation for the Board Committees; • time commitment and availability; • regulatory requirements; and • best practices or governance practices.

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.6

In identifying candidates for appointment of directors, the board does not solely rely on recommendations from existing board members, management or major shareholders. The board utilises independent sources to identify suitably qualified candidates.

If the selection of candidates was based on recommendations made by existing directors, management or major shareholders, the Nominating Committee should explain why these source(s) suffice and other sources were not used.

Application	:	Applied
Explanation on application of the practice	:	<p>In recommending to the Board of any appointment of Director, the NC considers the criteria, namely the composition requirements for the Board, skills, knowledge, expertise, experience, professionalism, integrity, capability, time commitment, character, competence, age, cultural background, gender and such other relevant criteria of the proposed candidate.</p> <p>The NC will assess the independence of the candidate in the case of appointment of an Independent Non-Executive Director.</p> <p>The process for the recruitment of new Director is summarised as follows:</p> <p>The NC is responsible to identify and select potential new Directors and to make recommendations to the Board for the appointment of Directors.</p>

Practice 5.10

The board discloses in its annual report the company's policy on gender diversity for the board and senior management.

Application	:	Departure	
Explanation on application of the practice	:		
Explanation for departure	:	There is no official policy currently regarding gender diversity for appointment of Directors.	
		The NC recognises and embraces the importance of having a diverse Board that will benefit from a diverse mix of knowledge and experience, background, expertise, age, gender, ethnicity and other qualities in its composition. It is an essential element in maintaining competitive advantage by having diverse Board members to leverage different perspectives to various issues raised and help in decision making, which will contribute to the sustainable development of the Company. The NC will take into consideration the benefits of diversity in sourcing and selecting new Board members as well as in conducting annual assessment of Board and Board Committee members.	
		Please provide an alternative practice and explain how the alternative practice meets the intended outcome.

Measure	:	Please explain the measure(s) the company has taken or intend to take to adopt the practice.	
Timeframe	:	Choose an item.	

Intended Outcome

Stakeholders are able to form an opinion on the overall effectiveness of the board and individual directors.

Practice 6.1

The board should undertake a formal and objective annual evaluation to determine the effectiveness of the board, its committees and each individual director. The board should disclose how the assessment was carried out its outcome, actions taken and how it has or will influence board composition.

For Large Companies, the board engages an independent expert at least every three years, to facilitate objective and candid board evaluation.

<i>Note: For a Large Company to qualify for adoption of this practice, it must undertake annual board evaluation and engage an independent expert at least every three years to facilitate the evaluation.</i>	
Application	: Applied
Explanation on application of the practice	: The NC had carried out a review for 2022/2023 the effectiveness of the Board and Board Committee as well as the performance of individual Directors. The evaluation process was conducted using Board and Board Committee Evaluation Form, Directors' Evaluation Form, Board Skills Matrix Form and Independent Directors Self-Assessment Checklist. Directors filled up the relevant forms and returned the same to the Company Secretary for consolidation. The results were summarised and presented to the NC for discussion, review and the decision made was being recorded. The NC reported the same to the Board at the subsequent Board Meeting.

Intended Outcome

Stakeholders are able to assess whether the remuneration of directors and senior management is commensurate with their individual performance, taking into consideration the company's performance.

Practice 8.2

The board discloses on a named basis the top five senior management's remuneration component including salary, bonus, benefits in-kind and other emoluments in bands of RM50,000.

Application	:	Departure	
Explanation on application of the practice	:		
Explanation for departure	:	The Board is of the view that, given that the disclosure of the remuneration of the top five (5) senior management will give rise to recruitment and talent retention issues and may lead to the performing senior management staff being lured away by the competitors and hence, the Group may lose high calibre personnel who have been contributing to the Group's performance.	
		The Board will ensure that the remuneration for the senior management personnel is commensurate with their performance in order to attract, retain and motivate them to contribute positively to the Group's performance.
