**INFOMINA CEMENTS Foothold IN PHILIPPINES – RECEIVES
PURCHASE ORDER FROM PHILIPPINE NATIONAL BANK WORTH
RM23.9 MILLION**

KUALA LUMPUR, 27 MARCH 2023 - INFOMINA BERHAD (盈获数码科技集团) (“Infomina” or “Group”), a leading regional technology solutions provider, announced the receipt of a purchase order (“PO”) from **Philippine National Bank (“PNB”)** amounting to approximately **USD5.4 million (equivalent to RM23.9 million)** (inclusive of value added tax).

PNB is the fourth largest privately-owned Philippine commercial bank in Philippines. PNB has the largest number of overseas offices and one of the largest domestic branch networks among local banks in Philippines. *(source: PNB’s website)*

Under the PO, our subsidiary, **Infomina Philippines, Inc** (“Infomina PH”), will provide technology application and infrastructure operations, maintenance and support services to PNB. The PO is for a period of **three (3) years** commencing from **1 March 2023 to 28 February 2026**.

Commenting on the PO from PNB, **Managing Director of Infomina, Yee Chee Meng (余志明)** said: “Our efforts to expand our international presence post-pandemic has started bearing fruits. This PO from PNB will further strengthen Infomina Group’s presence and foothold in the Philippines.”

“I would like to thank PNB for their trust in our abilities and their support for this continuing working relationship with them. The solutions that we are offering will enable PNB to smoothly migrate to new core banking application in a secured manner. The new core banking application will have the capability to allow PNB to build Artificial Intelligence Operation and Automation (AIOps) in PNB’s environment. This solution suite will provide PNB the flexibility to modernize their core banking system.”

“It is Infomina’s commitment to our clients to constantly improve our service quality and value add. We believe Infomina will be able to further add value and extend our full range of services to PNB as we play a supporting role in their modernization plans.”

“This PO will further add to our outstanding orderbook, which currently stands at approximately RM550 million. This is truly a fantastic achievement as we continue to strengthen our regional presence. Over the near term, we look forward to more such wins as we leverage on our superior domain expertise to deliver solutions to our customers in key markets across the region.”
