**INFOMINA WINS RM35.4 MILLION CONTRACT FROM BANGKOK BANK
PUBLIC COMPANY LIMITED (BBL)**

KUALA LUMPUR, 5 OCTOBER 2023 - INFOMINA BERHAD (盈获数码科技集团) (“Infomina” or “Group”), a leading regional technology solutions provider, announced the execution of a Software Subscription Agreement (“**Contract**”) from **Bangkok Bank Public Company Limited (“BBL”)** valued at USD7.5 million (equivalent to RM35.4 million).

Our subsidiary, **Infomina (Thailand) Co., Ltd.** (“Infomina TH”), will provide technology application and infrastructure operations, maintenance and support services to BBL. The Contract is for a period of three (3) years commencing from 31 March 2023 to 30 March 2026.

Commenting on the Contract from BBL, Managing Director of Infomina, **Yee Chee Meng (余志明)** said: “We are glad that Bangkok Bank has chosen us again, this is truly a testament to our capabilities in providing technology solutions not just in Malaysia but beyond our shores. In this contract, we also work with BBL on the following:

- (i) new business initiative to enable BBL digital transformation and deliver more new services to BBL’s customers; and
- (ii) new initiative to enable BBL to build mainframe AI system automation.

I would like to thank Bangkok Bank for their trust in Infomina and giving us the opportunity to work with them again.”

“In Infomina, we always strive to improve our level of service as well as promote innovation. In doing so, we continue to build on our good and long-term working relationship with customers, such as Bangkok Bank, which will enable us to expand our other services to them, and other customers, in the future. These ongoing efforts will definitely boost our outstanding order book further, which currently stands at approximately RM450m after this contract.”
