

**PRESS RELEASE  
FOR IMMEDIATE RELEASE**

**INFOMINA WINS RM53.6 MILLION CONTRACT IN THAILAND**

**KUALA LUMPUR, 21st JUNE 2024 - INFOMINA BERHAD (盈获数码科技集团)** (“Infomina” or “Group”), a leading regional technology solutions provider, announced the receipt of a signed order form (“**Order**”) valued at approximately USD11.39 million (equivalent to RM53.6 million) in Thailand.

Under the Order, our subsidiary, **Infomina (Thailand) Co., Ltd.** (“Infomina TH”), will provide technology application and infrastructure operations, maintenance and support services to a bank in Thailand over a period of five (5) years and seven (7) months commencing from 1 June 2024 to 31 December 2029.

Commenting on the Order, Managing Director of Infomina, **Yee Chee Meng (余志明)** said: “We are glad that another client of ours has decided to extend the long term working relationship with us. Under this Order, our services to the bank will enable the bank to achieve the following objectives:

- (i) new business initiative to enable the bank’s digital transformation and deliver more new services to the bank’s customers; and
- (ii) moving the bank to new consumption base aligning to the bank’s new digital transformation direction.

This is indeed an achievement by our team in Thailand. This demonstrates our capabilities in understanding our customers’ needs and providing high level of technology solutions beyond our shores.

**PRESS RELEASE  
FOR IMMEDIATE RELEASE**

I would like to thank them for their trust in Infomina to be their technology partner once again.”

“In Infomina, we always strive to improve our level of service as well as promote innovation. In doing so, we continue to build on our good and long-term working relationship with customers. We are versatile and able tailor our services to fit the objectives of different clients, which will enable us to expand our other services to them, and other customers, in the future. These ongoing efforts will definitely boost our outstanding order book further, which currently stands at approximately RM380 million after this contract.”
