Dear Sir/Madam,

**PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES**

---

**1.0 INTRODUCTION**

At the AGM of the Company held on 31 May 2024, the Company obtained the shareholders' approval on the resolution pertaining to the authority from its shareholders to undertake the proposed authority for the Company to purchase its own shares. The said authority shall, in accordance with the Listing Requirements, expire at the conclusion of the forthcoming 28<sup>th</sup> AGM of the Company.

On 28 April 2025, the Board announced its intention to seek the authority from its shareholders to undertake the Proposed Renewal of Share Buy-Back to purchase its own shares up to ten per centum (10%) of the total number of issued shares of the Company.

The purpose of this Statement is to provide you with relevant details and information of the Proposed Renewal of Share Buy-Back, together with the Board's recommendation and to seek your approval for the Ordinary Resolution in connection to the Proposed Renewal of Share Buy-Back to be tabled at the forthcoming 28<sup>th</sup> AGM of the Company. The Notice of the 28<sup>th</sup> AGM together with the Form of Proxy are set out in the Annual Report 2024.

## 2.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Company proposes to seek renewal of the authority from the shareholders of the Company to purchase from time to time up to ten per centum (10%) of the total number of issued shares of the Company for the time being quoted on the Main Market of Bursa Securities.

The authority to be conferred pursuant to the Proposed Renewal of Share Buy-Back, if approved by the shareholders of the Company at the forthcoming 28<sup>th</sup> AGM of the Company, shall be effective upon passing of the Ordinary Resolution for the Proposed Renewal of Share Buy-Back and shall continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolution was passed at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

### 2.1 Status and Treatment of Shares Purchased

Pursuant to Section 127 of the Act, the Board may deal with the Purchased Shares in either of the following manner:-

- (a) cancel all or part of the Purchased Shares; and/or
- (b) retain all or part of the Purchased Shares as treasury shares for either of the following:-
  - (i) distribute the shares as dividends to shareholders, such dividends to be known as "share dividend";
  - (ii) resell the shares or any of the shares in accordance with the relevant rules of the stock exchange;
  - (iii) transfer the shares, or any of the shares for the purposes of or under an employees' share scheme; and
  - (iv) transfer the shares, or any of the shares as purchase consideration; and/or
- (c) such other manner as allowed by the Act and Bursa Securities from time to time.

The Board may decide to cancel the Purchased Shares if it is of the opinion that, in the foreseeable future, there are no investment opportunities that would result in gains adding value to KAB and hence, the value of the KAB Shares. If the Purchased Shares are cancelled, the Company's total issued share capital shall be diminished by the shares so cancelled pursuant to Section 127(14) of the Act.

The treatment of the Purchased Shares to be held as treasury shares, either to be distributed as share dividends or resold on Bursa Securities by the Company, or both, or transfer all/ any of the treasury shares for the purposes of or under an employees' share scheme or transfer all/ any of the treasury shares as purchase consideration or subsequently be cancelled.

In the event the Company decides to purchase its own Shares, the Company will announce on the day that the purchase is made providing details of the description of the shares so purchased; the number of the shares so purchased; the price of each share or, where relevant, the highest and lowest price paid; the total consideration paid and the shares purchased either to be held as treasury shares or proposed to be cancelled.

In the event the Company decides to resell the Company's treasury shares, the Company will announce on the day that the resale is made providing details of the description of the shares resold,

the number of the shares resold, the resale price of each share resold or, where relevant, the highest and lowest resale price paid and the total consideration received.

In the event the Company decides to transfer all or any of the treasury shares as purchase consideration in relation to any corporate transaction(s), the Company shall make the appropriate announcement(s) under Chapter 10 of the Listing Requirements.

In the event the Company decides to cancel the Company's treasury shares, the Company will announce on the day that the cancellation is made providing details of the number of treasury shares; the date of cancellation and the outstanding and total issued share capital and total number of issued shares of the Company after the cancellation.

While the Purchased Shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in rights, allotments and/or other distributions are suspended and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on a resolution at meetings of shareholders.

## **2.2 Purchase Price**

Pursuant to the provisions of Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own Shares on Bursa Securities at a price which is not more than fifteen per centum (15%) above the weighted average market price of KAB Shares for the five (5) Market Days immediately before the date of the purchase(s).

Pursuant to the provisions of Paragraph 12.18 of the Listing Requirements, the Company may only resell the Purchased Shares held as treasury shares on Bursa Securities or transfer the Purchased Shares held as treasury shares pursuant to Section 127(7) of the Act, at:-

- (a) a price which is not less than the weighted average market price of KAB Shares for the five (5) Market Days immediately before the date of resale(s) or transfer(s); or
- (b) a discounted price of not more than five per centum (5%) to the weighted average market price of KAB Shares for the five (5) Market Days immediately before the resale or transfer provided that:-
  - (i) the resale or transfer takes place not earlier than thirty (30) days from the date of purchase; and
  - (ii) the resale or transfer price is not less than the cost of purchase of KAB Shares being resold or transferred.

## **2.3 Quantum**

The maximum aggregate number of Shares which may be purchased by the Company shall not exceed ten per centum (10%) of the total number of issued shares of the Company at any point in time.

As at LPD, the Company has retained 88,898 Shares purchased from open market as treasury shares.

As at LPD, the total number of issued shares of the Company comprises 2,078,793,781 ordinary shares, therefore, the number of KAB Shares which may be purchased by the KAB is up to 207,879,378 KAB Shares representing 10% of the total number of issued shares of KAB pursuant to the Proposed Renewal of Share Buy-Back. As such, the balance of shares that can be purchased by the Company taking into account the total cumulative treasury shares held up to LPD is 207,870,488 KAB Shares.

Nevertheless, the actual number of Shares to be purchased by the Company pursuant to the Proposed Renewal of Share Buy-Back, the total amount of funds involved for each purchase and the timing of the purchase(s) will depend on inter-alia, the market conditions and sentiments of the stock market as well as the availability of financial resources of the Company and the availability of the retained profits of the Company.

## 2.4 Funding

The Proposed Renewal of Share Buy-Back may be funded through internally-generated funds and/or bank borrowings as long as the purchase is backed by an equivalent amount of retained profits of the Company, subject to compliance with the Prevailing Laws.

The Proposed Renewal of Share Buy-Back, if funded through internally-generated funds, is not expected to have a material impact on the cash flow position of the Company. In the event the Proposed Renewal Share Buy-Back is to be financed by bank borrowings, the Board will ensure that the Company has the capability to repay such borrowings and that such repayment will not have a material effect on the cash flow of the Company.

The maximum amount of funds to be allocated for the Proposed Renewal of Share Buy-Back shall not exceed the aggregate of retained profits of the Company based on the latest audited financial statement and/or the latest management accounts of the Company (where applicable) available. As at 31 December 2024 and the latest management account of the Group up to 28 February 2025, being the latest available audited financial statements and management accounts, respectively, the retained profits of the Company are as follows:-

	<b>Audited</b>	<b>Unaudited</b>
	<b>As at 31 December 2024 RM'000</b>	<b>As at 28 February 2025 RM'000</b>
<b><u>Company Level</u></b> Retained Profits	RM38,461	RM39,484
<b><u>Group Level</u></b> Retained Profits	RM66,576	RM69,727

Notwithstanding the above, the Company will ensure that there are sufficient retained profits at Company level prior to the share buy-back. In addition, the Company will ensure that the maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back shall not exceed the aggregate of the retained profits of the Company at the time of purchase.

As required under Section 112(2) of the Act, the Company will have to perform a solvency test to satisfy the following conditions:-

- (a) the share buy-back would not result in the Company being insolvent and its capital being impaired at the date of the solvency statement; and
- (b) the Company will remain solvent after each buy-back during the period of six (6) months after the date of the declaration made by a majority of the Directors.

## 2.5 Public Shareholding Spread

Copyright © 2025. Kinergy Advancement Berhad. All Rights Reserved.

As at LPD, the public shareholding spread of the Company was 62.38%. The Company will not undertake any share buy-back if that will result in breach of Paragraph 8.02(1) of the Listing Requirements which requires the Company to maintain a shareholding spread of at least 25% of its total listed shares. The Board is mindful of the shareholding spread requirement and will continue to be mindful of the requirement when making any purchase of KAB Shares by the Company.

## 3.0 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK

The Proposed Renewal of Share Buy-Back, if implemented, is expected to have the following potential benefits to the Company and its shareholders:-

- (a) the Company is able to utilise its surplus financial resources which are not immediately required for other uses to purchase its own shares from the open market;
- (b) where the Purchased Shares are retained as treasury shares, the Board would have an option to distribute the Purchased Shares as shares dividends to reward shareholders of the Company;
- (c) the Purchased Shares may be held as treasury shares and resold in the open market to reap potential capital appreciation of the Shares without affecting the total number of issued shares of the Company;
- (d) the Company may be able to reduce any unwarranted volatility of its Shares and assist to stabilise the supply, demand and price of its Shares in the open market, thereby supporting the fundamental value of its Shares; and
- (e) where the Directors resolve to cancel the KAB Shares so purchased, the Company expects to enhance the EPS of the Group as a result of a lower number of KAB Shares being taken into account for the purpose of computing the EPS, thereby enabling long term and genuine investors to enjoy any potential corresponding increase in the value of their investments in the Company.

#### **4.0 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK**

The potential advantages of the Proposed Renewal of Share Buy-Back to the Company and its shareholders are as follow:-

- a) the Proposed Renewal of Share Buy-Back will allow the Company to utilise its financial resources where there are no immediate use, to purchase the KAB Shares. If the KAB Shares purchased are held as Treasury Shares or cancelled immediately, this may improve the consolidated EPS of the Group;
- b) the Proposed Renewal of Share Buy-Back may also help to stabilise the supply and demand, as well as the price of KAB Shares traded on Bursa Securities and reduce the volatility of KAB Share prices. The stability of KAB Share prices is important to maintain investors' confidence to facilitate future fund raising exercises of the Company via the equity market;
- c) the Proposed Renewal of Share Buy-Back will provide the Company opportunities for potential gains if the Purchased Shares which are retained as Treasury Shares are resold at prices higher than the purchase prices; and
- d) in the event the Treasury Shares are distributed as share dividends, it will serve to reward the shareholders of KAB.

The potential disadvantages of the Proposed Renewal of Share Buy-Back to the Company and its shareholders are as follows:-

- a) It will reduce the financial resources of the Group and may result in the Group foregoing better investment opportunities in future or, at least deprive KAB Group of interest income that can be derived from the funds utilised for the Proposed Renewal of Share Buy-Back.
- b) the cash flow of the Company may be affected if the Company decides to utilise bank borrowings to finance the Proposed Renewal of Share Buy-Back;
- c) the funds allocated for the Proposed Renewal of Share Buy-Back could be used for other better investment opportunities which may emerge in the future; and
- d) as the funds to be allocated for the Proposed Renewal of Share Buy-Back must be made wholly out of the Company's retained profits, the amount available from this account for distribution of dividends to shareholders of the Company may decrease accordingly.

Nevertheless, the Proposed Renewal of Share Buy-Back is not expected to have any potential material disadvantages to the Company and its shareholders, as any share buy-back will be undertaken only after in-depth consideration of the financial resources of KAB and the resultant impact on its shareholders. The Board, in exercising any decision in implementing the Proposed Renewal of Share Buy-Back will be mindful of the interests of the Company and its shareholders.

## 5.0 FINANCIAL EFFECTS TO THE PROPOSED RENEWAL OF SHARE BUY-BACK

### 5.1 Share Capital

The effect of the Proposed Renewal of Share Buy-Back on the total number of issued shares of the Company will depend on whether the KAB Shares purchased are cancelled or retained as treasury shares.

The pro-forma effects of the Proposed Renewal of Share Buy-Back on the total number of issued Shares of the Company as at the LPD are as follow:-

	As at LPD
	No. of KAB Shares
Total number of issued shares	2,078,793,781*
Less: Assuming the Proposed Renewal of Share Buy-Back is implemented in full (i.e., up to 10%)	2,078,793,781* (207,879,378)
<b>Total number of issued shares after the Proposed Renewal of Share Buy-Back (assuming the Purchased Shares are subsequently cancelled in full)</b>	<b>1,870,914,403</b>

*Note:*

*\* Including 88,898 KAB Shares which have been purchased and retained as treasury shares as at LPD.*

If the KAB Shares so purchased are retained as treasury shares, the total number of issued shares of the Company will not be reduced but the rights attaching to the treasury shares as to voting, dividends and participation in other distributions or otherwise will be suspended. While these KAB Shares remain as treasury shares, the Act prohibits the taking into account of such shares in calculating the number of percentage of shares in the Company for a purpose whatsoever including substantial shareholdings, takeovers, notices, requisitioning of meetings, quorum for meetings and the result of votes on resolutions.

### 5.2 NA

Copyright © 2025. Kinergy Advancement Berhad. All Rights Reserved.

The effects of the Proposed Renewal of Share Buy-Back on the NA per share of the KAB Group are dependent on the number of KAB Shares which the Company will buy back, purchase price of the KAB Shares at the time of buy back, the treatment of the shares so purchased and the funding cost, if any. If all KAB Shares so purchased are cancelled, the consolidate NA per share of the Group is likely to be reduced if the purchase price exceeds the NA per share, whereas the NA per share of the Group will increase if the purchase price is less than the NA per share of the Group at the time of purchase.

For Purchased Shares which are kept as treasury shares, upon resale, the NA per share of the Group would increase assuming that a gain has been realised or decrease if a loss is realised. If treasury shares are distributed as share dividends, the NA of the Group would decrease by cost of the treasury shares.

### 5.3 Working capital

The Proposed Renewal of Share Buy-Back, as and when implemented, will reduce the working capital and cash flow of KAB Group, the quantum of which depends on, amongst others, the purchase price of the KAB Shares and the number of KAB Shares that would be purchased.

For Purchased Shares which are kept as treasury shares, upon resale, the working capital and the cash flow of the Group will increase upon the receipt of the proceeds of the resale. The quantum of the increase in the working capital and cash flow will depend on the actual selling price(s) of the treasury shares and the number of treasury shares resold.

#### **5.4 Earnings**

Assuming that the Purchased Shares under the Proposed Renewal of Share Buy-Back are cancelled, the Proposed Renewal of Share Buy-Back may increase the EPS of KAB Group. Similarly, on the assumption that the Purchased Shares are treated as treasury shares and subsequently resold, the extent of the effect on earnings of KAB Group will depend on the actual selling price and number of treasury shares resold and the effective gain arising. In the event the Purchased Shares are held as treasury shares, the effective reduction in the total number of issued Shares of KAB pursuant to the Proposed Share Buy-Back would generally, all else being equal, increase the consolidated EPS of the Company.

#### **5.5 Dividends**

The Proposed Renewal of Share Buy-Back is not expected to have any impact on the policy of the Board in recommending dividends to the shareholders of KAB. As stated in Sections 3 and 4 of this Statement, the Board may have the option to distribute future dividends in the form of the treasury shares purchased pursuant to the Proposed Renewal of Share Buy-Back.

#### **5.6 Gearing**

The effect of the Proposed Renewal of Share Buy-Back on the gearing of the Group will depend on the proportion of borrowings utilised to fund any purchase of KAB Shares. At this juncture, the Company has not determined whether to use any form of borrowings for purposes of the Proposed Renewal Share Buy-Back.

## 6.0 SHAREHOLDINGS OF DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

Based on the Company's Register of Directors' Shareholdings and Register of Substantial Shareholders' shareholdings as at the LPD and assuming that the Proposed Renewal of Share Buy-Back is implemented in full (up to 10% of the total number of issued Shares) and that the Purchased Shares are from shareholders other than the existing Directors and substantial shareholders of KAB, the effect of the Proposed Renewal of Share Buy-Back on the shareholdings of the existing Directors and substantial shareholders of KAB by virtue of Section 127(9) of the Act are as follows :-
