2.7 Review Procedures for the RRPT

The MBGB Group has established the following procedures to ensure that the RRPTs are undertaken on an arm's length basis and on normal commercial terms and transactions prices consistent with the Group's usual business practices and policies, which are not more favourable to the Related Parties than those extended to the public and are not to the detriment of the minority shareholders:-

- i) The identity of the Related Parties will be disclosed/circulated within the Group and at the same time, the Related Parties will be notified that all RRPTs are required to be taken on an arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public;
- ii) The thresholds for approvals of RRPTs will be consistent with those transactions entered into with unrelated parties. MBGB Group has in place internal levels of authority governing all business transactions. As the RRPTs are conducted in the ordinary course of business, the transactions will be covered under the same levels of authority;
- iii) Any tender, quotation or contract received from or proposed to be entered with a Related Party will be reviewed by senior management who will ascertain if it is an approved RRPT. Such tender, quotation or contract will not be approved unless the terms offered to MBGB Group are comparable with those offered by other unrelated parties for the same or substantially similar type of transactions. The RRPTs with a Related Party will only be entered into after taking into account the pricing, quality, deliverables, level of service and other related facts including competitor's prices of similar products and services in the open market;

2.7 Review Procedures for the RRPT (cont'd)

- iv) All RRPTs to be entered into will be reviewed by the Audit and Risk Management Committee at every quarter or from time to time, as needed and subsequently reported to the Board to ensure that the transactions are not more favourable to the Related Party and will not be detrimental to the minority shareholders;
- v) The Directors having interest in any RRPT shall abstain from voting on any matter relating to decisions to be taken by the Board and deliberations as well as shall ensure that the Major Shareholders and persons connected with them abstain from voting on the resolution approving the transactions;
- vi) Records will be maintained by MBGB Group to capture all RRPTs entered into pursuant to any Proposed Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to;
- vii) At least two other contemporaneous transactions with unrelated third parties for similar products/ services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/ services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by MBGB Group based on the usual business practices of MBGB Group to ensure the RRPTs are not detrimental to MBGB Group;
- viii) The Audit and Risk Management Committee shall review the internal audit reports on an annual basis to ascertain that the guidelines and procedures established to monitor the RRPTs have been complied with;
- ix) Immediate announcement will be made when the actual amount of a RRPT exceeds the estimated value disclosed in the Circular by 10% or more;
- x) The Audit and Risk Management Committee will review the cumulative value of all RRPTs on a quarterly basis;
- xi) Disclosure will be made in the following year's annual report of the Company of the aggregate value of transactions conducted pursuant the Proposed Shareholders' Mandate;
- xii) In respect of any new RRPT not covered under a shareholders' mandate, it will be subject to review and approval by a director and one senior management who has no interest in the transaction. The Audit and Risk Management Committee and Board will be notified for any transaction which requires announcement to Bursa Securities pursuant to Paragraph 10.09(1) of the Listing Requirements; and
- xiii) The Board and the Audit and Risk Management Committee will have overall responsibility for the determination of the review procedures, including addition of new review procedures, as and when necessary. The Board and the Audit and Risk Management Committee may also appoint individuals and committees to examine the RRPTs, as they deem appropriate. If a member of the Board or the Audit and Risk Management Committee has an interest, direct or indirect, in any particular transactions, he or she will abstain from any deliberation and voting on the matter at the Board or the Audit and Risk Management Committee meetings in respect of such transactions.

The threshold for RRPT will be determined by Audit and Risk Management Committee on a yearly basis, subject to the provisions in the Listing Requirements and/or the Act, where necessary. As at LPD, the thresholds for each level of approving authority for the RRPT are as follows:-

2.7 Review Procedures for the RRPT (cont'd)

RRPT value	First approval	Final approval
RM1,000,000 or less	Any One Executive Director	Any One Executive Director
More than RM1,000,000 and less than RM5,000,000	Two Executive Directors	Managing Director
RM5,000,000 and above	Two Executive Directors	Managing Director, Audit and Risk Management Committee and the Board

Where any Director has an interest (direct or indirect) in any RRPT, such Director shall abstain from deliberation and voting on the matter. All RRPTs will be monitored by the management and reviewed by the Audit and Risk Management Committee on a quarterly basis and approved by the Board. Where the RRPT has not obtained the shareholders' mandate or has exceeded the shareholders' mandate, an announcement shall be made to Bursa Securities.

3. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has seen and reviewed the procedures mentioned in Section 2.7 above and is of the view that:-

- (i) the said procedures for the RRPTs as well as the annual review to be made by the Audit and Risk Management Committee in relation thereto, are sufficient to ensure that the RRPTs will be made at arm's length and in accordance with the Company's normal commercial terms and are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (ii) the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner; and
- (iii) the Audit and Risk Management Committee will review these procedures and processes on a yearly basis or whenever the need arises.

4. DISCLOSURE IN ANNUAL REPORT

Disclosure will be made in the Company's annual report in accordance with Section 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year, amongst others, based on the following information:-

- (i) the type of the RRPTs made; and
- (ii) the names of the Related Parties involved in each type of the RRPTs made and their relationships with the Company.

The above disclosure will be made in the Company's annual reports for the subsequent financial years after the Proposed Shareholders' Mandate has been approved.

In addition, if the actual value of the RRPTs entered into by the Group exceeds the estimated value of the RRPTs disclosed in the circular to shareholders on the Proposed Shareholders' Mandate by 10% or more, the Company will make an immediate announcement to Bursa Securities.

5. RATIONALE AND BENEFITS FOR THE PROPOSED SHAREHOLDERS' MANDATE

The RRPTs to be entered into by the MBGB Group with the Related Parties are all conducted in the ordinary course of business. They are recurring transactions of revenue or trading nature which are likely to occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and as such, it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such related party transactions.

The RRPTs are considered by the Board to be beneficial to the MBGB Group as they constitute transactions which are necessary for the day-to-day operations of the MBGB Group, which contribute to the generation of its turnover and profit. The close commercial relationships that had been established with the Related Parties have created an effective network that the MBGB Group can draw upon to support its operational needs, deriving synergistic and operational benefits to support its marketing, distribution and manufacturing functions.

The Proposed Shareholders' Mandate, if approved by the shareholders, will eliminate the need to make regular announcements to Bursa Securities or to issue separate circulars to shareholders and to convene separate general meetings on each occasion to seek shareholders' prior approval for the entry by the Group into such transactions. Also, it would substantially reduce administrative time, inconvenience and expenses associated with the making of such announcements and the convening of such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the MBGB Group.

Hence, the Directors are seeking approval from the shareholders on the RRPTs as described under Section 2.4 of this Circular.

6. FINANCIAL EFFECTS OF THE PROPOSED SHAREHOLDERS' MANDATE

The Proposed Shareholders' Mandate is not expected to have any effect on the issued share capital of MBGB, as well as the consolidated earnings and net assets of the MBGB Group.

7. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

Save as disclosed below, none of the other Directors and/or Major Shareholders or any persons connected with the Directors and/or Major Shareholders has any interest, direct or indirect, in the Proposed Shareholders' Mandate:

To: The MBGB's Shareholders

Dear Sir/Madam,

Proposed Renewal of Share Buy-Back

1. INTRODUCTION

On 21 October 2025, the Company had announced that the Company proposed to seek its shareholders' approval for the Proposed Renewal of Share Buy-Back at the forthcoming 25th AGM of the Company.

The purpose of Part B of this Circular/Statement is to provide you with the relevant details of the Proposed Renewal of Share Buy-Back, to set out the recommendation of the Board thereon and to seek your approval for the resolution pertaining to the Proposed Renewal of Share Buy-Back to be tabled at the forthcoming 25th AGM of the Company.

YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE ORDINARY RESOLUTION TO GIVE EFFECT TO THE PROPOSED RENEWAL OF SHARE BUY-BACK AT THE FORTHCOMING AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

2.1 General

The shareholders of MBGB had at the 24th AGM of the Company held on 3 December 2024, granted approval for the Directors to purchase its own Shares of up to 10% of the total number of issued shares of the Company. The said mandate shall in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming 25th AGM unless a fresh mandate is obtained from the shareholders.

The Board proposes to seek the approval from the shareholders of the Company for the renewal of authority for the Company to purchase up to 10% of its total number of issued shares through its appointed stockbroker on the market of Bursa Securities.

The Proposed Renewal of Share Buy-Back is subject to compliance with provisions of the Act, the Listing Requirements and any prevailing laws, rules, regulations, orders, guidelines and requirements issued by the relevant authorities.

The approval from the shareholders for the Proposed Renewal of Share Buy-Back would be effective immediately upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back at the forthcoming 25th AGM and shall be valid until:-

- (a) the conclusion of the next AGM of the Company, being the Twenty-Sixth (“**26th**”) AGM following the 25th AGM at which such resolution was passed at which time the said authority shall lapse unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions;
- (b) the expiration of the period within which the 26th AGM of the Company is required by law to be held; or
- (c) the authority is revoked or varied by ordinary resolution passed by the shareholders in a general meeting,

whichever occurs first.

2.2 Maximum number or percentage of MBGB Shares to be purchased

Pursuant to Paragraph 12.09 of the Listing Requirements, the maximum aggregate number of Shares which may be purchased by the Company or held as treasury shares shall not exceed 10% of the total number of issued shares of the Company at any point in time.

As at the LPD, the total issued share capital of our Company is RM234,898,230.776 comprising 2,713,906,627 Shares. For illustrative purposes, the maximum number of Shares that may be purchased is as follows:-

Notes:

⁽¹⁾ Assuming none of the outstanding Warrants is exercised.

⁽²⁾ Assuming all outstanding 686,880,968 Warrants are exercised.

2.3 Maximum amount of funds to be allocated and the source of funds

Paragraph 12.10(1) of the Listing Requirements stipulates that the Proposed Renewal of Share Buy-Back must be made wholly out of the retained profits of the Company.

The maximum funds to be allocated by the Company for the Proposed Renewal of Share Buy-Back shall not exceed the amount stated in the retained profits of the Company at the time of purchase.

Based on MBGB's latest audited financial statements as at 30 June 2025, the Company has retained profit of RM3,839,776.

The Proposed Renewal of Share Buy-Back will allow the Board to exercise the power of the Company to purchase its own Shares at any time during the abovementioned period using the internally generated funds of the Group and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on, amongst others, the availability of internally generated funds, the actual number of MBGB Shares to be purchased and other relevant cost factors. The actual number of MBGB Shares to be purchased and the timing of such purchases will depend on, amongst others, the market conditions and sentiments of the stock market as well as the retained profits and the financial resources available to the Group.

Should the Proposed Renewal of Share Buy-Back be financed through internally generated funds, the Board will ensure that there are sufficient funds to repay such borrowings and that the Proposed Renewal of Share Buy-Back is not expected to have material effect on the working capital and cashflow of the MBGB Group.

2.4 Treatment of Purchased Shares

In accordance with Section 127(4) of the Act, the Board is able to deal with any Purchased Shares in the following manner:

- (a) to cancel the Purchased Shares;
- (b) to retain the Purchased Shares as treasury shares; or
- (c) to retain part of the Purchased Shares as treasury shares and cancel the remainder.

The decision whether to retain the Purchased Shares as treasury shares, or to cancel the Purchased Shares or a combination of both, will be made by the Board at the appropriate time.

Where the Purchased Shares are held as treasury shares, the Board may at its discretion:-

- (a) distribute the Purchased Shares as dividends to shareholders, such dividends to be known as “share dividends”;
- (b) resell the Purchased Shares, or any of the Purchased Shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer the Purchased Shares, or any of the Purchased Shares for the purposes of or under an employees’ share scheme;
- (d) transfer the Purchased Shares, or any of the Purchased Shares as purchase consideration;
- (e) cancel the Purchased Shares or any of the Purchased Shares;
- (f) sell, transfer or otherwise use the Purchased Shares for such other purposes as the Minister may by order prescribe; and/or
- (g) in any other manner permitted by the Act, rules, regulations and order made pursuant to the Act and the requirements of Bursa Securities and any other relevant authority for the time being in force.

Pursuant to Section 127(8) of the Act, the rights attached to the treasury shares in relation to voting, dividends and participation in any other distribution and otherwise are suspended. In accordance with Section 127(9) of the Act, the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at meetings.

The Company will make an immediate announcement to Bursa Securities of any purchase or resale of the MBGB Shares and whether the Purchased Shares will be cancelled, sold, transferred or retained as treasury shares or a combination.

2.5 Purchase/ Resale/ Transfer Price

Pursuant to Paragraph 12.17 of the Listing Requirements, MBGB shall only purchase its own Shares at a price, which is not more than fifteen percent (15%) above the weighted average market price for the five (5) market days immediately preceding the date of the purchase(s).

Pursuant to Paragraph 12.18 of the Listing Requirements, the Company may only resell or transfer any Purchase Shares which are held as treasury shares on Bursa Securities at:-

2.5 Purchase/ Resale/ Transfer Price (Cont'd)

- a) a price which is not less than the weighted average market price of MBGB Shares for the five (5) market days immediately before the date of the resale or transfer; or
- b) a discounted price of not more than 5% to the weighted average market price of MBGB Shares for the five (5) market days immediately before the date of the resale or transfer, provided that:
 - i. the resale or transfer takes place not earlier than 30 days from the date of the purchase; and
 - ii. the resale or transfer price is not less than the cost of purchase of the MBGB Shares being resold or transferred.

2.6 Purchase and/or resale made in the previous 12 months

The Company did not purchase any of its own Shares in the preceding 12 months.

As at the date of this Statement, no Shares were purchased, held as treasury shares, resold, transferred and/or cancelled by the Company.

2.7 Public Shareholding Spread of MBGB

The Proposed Renewal of Share Buy-Back will be carried out in accordance with the prevailing laws at the time of the purchase, including compliance with the public shareholding spread requirement under Paragraph 8.02(1) of the Listing Requirements.

Based on the Record of Depositors of the Company as at LPD, the public shareholding spread of the Company was about 42.01% of the total number of issued Shares.

For the purpose of illustration, if the Company purchases up to the maximum of ten percent (10%) of the total number of issued shares of MBGB Shares and assuming the number of MBGB Shares currently held by the Directors, the Substantial Shareholders or associates of the Directors and/or Substantial Shareholders remain unchanged and no Warrants are exercised into new MBGB Shares during the implementation of the Proposed Renewal of Share Buy-Back, the proforma public shareholding spread of the Company, based on the Record of Depositors as at LPD is expected to be approximately 27.95%. The Board is mindful of the public shareholding spread requirement before marking any purchase of its own shares.

2.8 Rationale for the Proposed Renewal of Share Buy-Back

- (i) The Proposed Renewal of Share Buy-Back will enable MBGB to have an additional option to utilise its surplus financial resources.
- (ii) In addition, the Purchased Shares may be held as treasury shares and resold on Bursa Securities with the intention of realising a potential gain without affecting the total issued and paid-up share capital of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.
- (iii) With the mandate, the Company will also be able to stabilise the supply and demand of MBGB Shares traded on the Bursa Securities and thereby supports its fundamental value, if required.

2.9 Risk factors of the Proposed Renewal of Share Buy-Back

- (i) The Proposed Renewal of Share Buy-Back, if implemented, may reduce the financial resources of the Group. This may result in the Group foregoing other investment opportunities that may be available in the future or any interest that may be derived from depositing such funds in interest bearing deposits.

However, the financial resources of the Group may increase if the treasury shares held are resold at prices higher than their purchase prices.

- (ii) Nevertheless, the Board will be mindful of the interests of MBGB and its shareholders in undertaking the Proposed Renewal of Share Buy-Back.

2.10 Potential Advantages and Disadvantages of the Proposed Renewal of Share Buy-Back

Advantages

- (i) The Proposed Renewal of Share Buy-Back, if implemented, will enable the Company to stabilise the supply and demand of MBGB Shares on Bursa Securities and thereby reducing the volatility of MBGB Shares.
- (ii) The Company would have the opportunity to utilise its financial resources not immediately required for other use to purchase MBGB Shares and may has the opportunities for potential gains if the Purchased Shares which are retained as treasury shares are resold at prices higher than their purchase prices.
- (iii) The EPS of MBGB Group would be enhanced (all things being equal).

Disadvantages

- (i) The Proposed Renewal of Share Buy-Back may reduce the immediate amount of financial resources available for distribution to the shareholders of the Company and may result in the Group having to forgo feasible investment opportunities that may emerge in the future. However, the financial resources of the Group may increase if the MBGB Shares so purchased held as treasury shares are resold at prices higher than their purchase price.
- (ii) The working capital of the Group will also be affected, as any purchase of MBGB Shares will reduce the Group cashflow depending on the actual number of shares purchased and their purchase price.

The Board will be mindful of the interests of the Company, the Group and the shareholders in exercising any decision to purchase the Shares pursuant to the Proposed Renewal of Share Buy-Back.

3. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK

The effects of the Proposed Renewal of Share Buy-Back and the implications relating to the Code are set out below:-

3.1 Issued Share Capital

On the assumption that the Proposed Renewal of Share Buy-Back is carried out in full and the Shares so purchased are fully cancelled, the effects of the Proposed Renewal of Share Buy-Back on the issued share capital of the Company are as follows:-

THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK
--

3.1 Issued Share Capital (Cont'd)

	Minimum Scenario ⁽¹⁾	Maximum Scenario ⁽²⁾
	Number of Shares	Number of Shares
Total number of issued Shares as at the LPD	2,713,906,627	2,713,906,627
Assuming full exercise of 686,880,968 outstanding Warrants	-	686,880,968
Total number of issued Shares	2,713,906,627	3,400,787,595
Less: Maximum number of Shares that may be purchased pursuant to Proposed Share Buy-Back	271,390,662	340,078,759
Total number of issued Shares Capital after cancellation Purchased Shares	2,442,515,965	3,060,708,836

Notes:

⁽¹⁾ Assuming none of the outstanding Warrants is exercised.

⁽²⁾ Assuming all outstanding 686,880,968 Warrants are exercised.

The Proposed Renewal of Share Buy-Back will not have any effect on the total number of issued Shares if the Purchased Shares are retained as treasury shares except that certain rights attaching to the treasury shares as set out in Section 2.4 of this Statement will be suspended.

3.2 Net Assets

The effect of the Proposed Renewal of Shares Buy-Back on the net assets per share of the MBGB Group is dependent on the number of MBGB Shares which the Company will buy-back, purchase price of the MBGB Shares at the time of buy-back, the treatment of the Purchased Shares and the funding cost, if any.

If the maximum number of MBGB Shares purchased is cancelled, the Proposed Renewal of Share Buy-Back would reduce the net assets per share of the Group if the purchase price exceeds the net assets per share at the relevant point in time. Conversely, the net assets per share of the Group would increase if the purchase price is less than the net assets per share at the relevant point in time.

If the MBGB Shares are retained as treasury shares, the net assets per share would increase/decrease depending on the purchase price of the MBGB Shares. The net assets per share of the Group would reduce if the purchase price exceeds the net assets per share and vice versa.

If the treasury shares are resold on the Bursa Securities, the net assets per share will increase if the Company realises a gain from the resale, and vice versa. If the treasury shares are distributed to shareholders as share dividends, the net assets per share will decrease by the cost of the treasury shares.

3.3 Working Capital

The Proposed Renewal of Share Buy-Back will result in an outflow of cash and thereby reducing the working capital of the MBGB Group, the quantum of which is dependent on the purchase prices of the MBGB Shares and the number of Purchased Shares and the funding cost, if any. Nevertheless, the Board will be mindful of the interests of MBGB and its shareholders in undertaking the Proposed Renewal of Share Buy-Back and will assess the working capital needs of the MBGB Group prior to any repurchase of MBGB Shares.

In the event the Company purchases its own Shares using external borrowings, the Company will ensure that it has sufficient funds to repay the external borrowings.

3.4 Earnings

The effects of the Proposed Renewal of Share Buy-Back on the earnings of the Group are dependent on the purchase prices of MBGB Shares and the effective funding cost to finance such purchases and/or loss in interest income to the Group, if internally generated funds are utilised.

For instance, the Purchased will increase the EPS of the MBGB Group if the effective funding cost and/or loss in income to the Company which is attributable to every repurchased share is lower than the EPS of the MBGB Group and vice versa.

If the MBGB Shares so purchased are cancelled, the consolidated EPS of the Group will increase provided the income foregone and interest expense incurred on these MBGB shares is less than the consolidated EPS prior to such purchase.

3.5 Dividends

Assuming the Proposed Renewal of Share Buy-Back is implemented in full, the share repurchase will have the effect of increasing the dividend rate per ordinary share of MBGB as a result of a decrease in the number of shares in MBGB which are entitled to participate in the dividends.

The Proposed Renewal of Share Buy-Back may have an impact on the Company's dividend policy as it would reduce the cash available for dividend payment, which may otherwise be used for dividend payment. Nonetheless, the Purchased Shares which retained as treasury shares may be distributed as dividends to shareholders of the Company, if the Directors so decide.

3.7 Implications relating to the code

In the event that the Company purchases the full amount of the MBGB Shares authorised under the Proposed Renewal of Share Buy-Back and all the MBGB Shares so purchased are held as treasury shares, the equity interest of the Substantial Shareholders and their respective parties acting in concert triggering the obligation to undertake a mandatory offer under Paragraph 15(2) of the General Principle 12 of the Code and Paragraph 4.01 of Rule 4 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions, an exemption will be sought from the SC under Paragraph 4.15 of Rule 4 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions, before the purchase is made.

SC may grant a waiver to undertake a mandatory offer under Practice Note 9 of the Code, subject to the affected Substantial Shareholder and parties acting in concert complying with certain conditions, if obligation is triggered as a result of any action outside its direct participation. The Substantial Shareholders of MBGB as disclosed in Section 3.6(i) herein have indicated that they intend to apply for the proposed exemption under Paragraph 4.15 of Rule 4 of the Rules on Take-Overs, Mergers and Compulsory Acquisitions, if the obligation is expected to be triggered as a result of the Proposed Renewal of Share Buy-Back.
