

MALAYSIA SMELTING CORPORATION BERHAD

FIT AND PROPER POLICY

1. INTRODUCTION

The Board of Directors (“**Board**”) of Malaysia Smelting Corporation Berhad (the “**Company**”) and its subsidiaries (the “**Group**”) provide strategic leadership that influences the financial position and future direction of the Group. Directors are required to possess the competence, character, diligence, honesty, integrity and judgement to properly perform their duties, in tandem with good corporate governance practices.

Accordingly, the Group must prudently manage the risk to its business and financial standing; and ensure that all Directors are fit and proper. Hence, clear parameters on the selection process of Directors are important in championing for qualified appointments at the leadership level.

This policy serves to guide the Nominating & Remuneration Committee (“**NRC**”) and the Board in their review and assessment of candidates that are to be appointed onto the Board as well as Directors who are seeking for re-election.

2. OBJECTIVES

This policy is designed to:

- a) set out the Group’s approach to the assessment of the fitness and properness of candidates that are to be appointed onto the Board as well as Directors who are seeking for re-election;
- b) Improve the overall quality of Directors; and
- c) Promote greater transparency on the criteria for Board appointments.

3. RESPONSIBILITY

3.1 The Board’s Commitment and Responsibility

- In the application of this Guideline the Board and NRC are primarily responsible to ensure that all **Directors of the Company** fulfil the fit and proper criteria and for conducting assessments of the fitness and properness of candidates to be appointed onto the Board and Directors who are seeking for re-election.
- The Board and NRC are obliged to ensure all **Directors of the Company** comply with the requirements contained in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and other applicable rules and regulations i.e. Companies Act, 2016 or amendment rules of the requirements of Board appointments.

4. REQUIRED NOTIFICATION

The Company Secretary must keep and maintain a current list of all Directors and key management personnel, in addition to details of the competencies for each Director. The NRC must approve the list of Directors and key management personnel maintained by the Company Secretary and any changes to that list.

As soon as possible after a person is nominated or proposed for appointment as Director, the Company will make available to that person a copy of this Policy and the details of the competencies and training required for the newly appointed Director i.e. A Director who is appointed for the first time as a Director of a listed issuer after the effective date must complete the Mandatory Accreditation Programme within 4 months from the date of appointment.
