### 6. **QUESTIONS & ANSWERS SESSION**

With the completion of tabling all the agenda items, the Chairman opened the session for Q&A, and informed that in order to ensure an orderly proceeding of the AGM, the Q&A session would be conducted in the following manner:-

- Firstly, the Chairman would address questions from shareholders and proxies present at the Main Venue; and
- Lastly, the Chairman would address questions posted by shareholders and proxies who participated virtually, via the message icon in the meeting platform.

The Chairman informed that the Company had not received any questions from shareholders as of 22 May 2026, being the closing date of submission.

The Chairman then addressed the question raised by a shareholder who was present at the Main Venue, as follows:

- Q1. *When the Company is likely to resume dividend payments, noting that no dividend had been declared for many years despite the improved financial results?*

The Chairman responded that the Board decided that for the time being, the repayment of the Group's borrowings would be a better option for sustainable shareholder value. He explained that the proceeds arising from the disposal of a long-held investment in 2025 had been utilised for loan repayment, thereby reducing interest costs as well as strengthening the Group's financial capacity for future investment opportunities.

The Chairman subsequently addressed the questions posted by shareholders and proxies who participated virtually, via the message icon in the meeting platform. He read out the questions and provided the responses, as set out below:

Q1. *Appreciate e-voucher please as a token of appreciation for attending this AGM.*

The Chairman responded that no e-vouchers or similar tokens would be provided, in line with the Company's policy. He further stated that lunch was provided for shareholders attending the AGM in person.

The Chairman responded that a printed copy of the above documents would be posted to the shareholder.

Q3. *For Ordinary Resolution 7, what is the percentage limit that the Board is requesting for the Company to buy-back its own shares?*

The Chairman responded that the percentage limit allowed for the Company to buy-back its own shares is 10% of its total number of issued shares. He added that any share buy-back, if undertaken, would be carried out prudently, with the objective of supporting the share price of the Company.

With no further questions from the shareholders and proxies, the Chairman concluded the Q&A session.
