1. INTRODUCTION

At the 47th Annual General Meeting of Mulpha International Bhd. (“**Mulpha**” or “**the Company**”) held on 3 June 2021, the Board of Directors (“**the Board**”) had obtained the renewal of authority from the shareholders for the Company to purchase up to 10% of the total number of issued shares of the Company (“**Mulpha shares**”) through Bursa Malaysia Securities Berhad (“**Bursa Securities**”). This authority, which took effect upon the passing of the ordinary resolution, will expire at the conclusion of the forthcoming 48th Annual General Meeting (“**AGM**”) to be held on 9 June 2022, unless it is renewed.

On 18 April 2022, the Company announced its intention to seek the approval of the shareholders at the forthcoming AGM to renew the authority for the Proposed Renewal of Share Buy-back Authority.

The purpose of this Statement is to provide you with the details of and to seek your approval for the Proposed Renewal of Share Buy-back Authority at the forthcoming AGM, the notice of which is set out in the Annual Report 2021.

2. PURCHASE, RESALE, TRANSFER OR CANCELLATION OF SHARES MADE IN THE PRECEDING 12 MONTHS

During the past 12 months, the Company had purchased a total of 8,288,200 Mulpha shares in the open market (details as set out below), all of which had been retained as treasury shares:-

Month	Number of Mulpha shares purchased	Total consideration RM'000	Highest price RM	Lowest Price RM	Average price* RM
2021					
April	2,587,200	4,421	1.77	1.51	1.71

July	272,400	544	2.10	1.92	2.00
August	207,600	463	2.25	2.15	2.23
September	4,256,700	10,452	2.50	2.26	2.46
	8,288,200	17,586			

* The average price includes transaction costs.

Total treasury shares held by the Company as at 31 December 2021 stood at 8,288,200 shares.

On 12 April 2022, the Company had cancelled its entire treasury shares of 8,288,200 units pursuant to Section 127 of the Companies Act 2016 (“**the Act**”). As at 14 April 2022, the Company has no treasury shares.

The Company has not made any resale or transfer of its treasury shares in the preceding 12 months.

3. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

3.1 Quantum/Maximum Limit

The Board proposes to seek your approval for the renewal of authority for the Company to purchase its own shares and/or hold as treasury shares for an aggregate amount of up to 10% of the total number of issued shares at any time within the time period stated in Section 3.2 below. Such purchase is subject to compliance with Section 127 of the Act and any prevailing laws, rules and regulations issued by the relevant authorities at the time of the purchase.

For illustrative purposes, based on the Company's current total number of issued shares as at 14 April 2022 of 311,178,230 Mulpha shares, the maximum number of Mulpha shares that can be purchased pursuant to the Proposed Renewal of Share Buy-back Authority is 31,117,823 Mulpha shares.

The actual number of Mulpha shares to be purchased, the total amount of funds involved for each purchase and the timing of the purchase will depend on market conditions and sentiments of the stock market as well as the financial resources available to Mulpha.

3.2 Timeframe

The renewed authority for the Proposed Renewal of Share Buy-back Authority will be effective immediately upon passing of the ordinary resolution and will continue to be in force until:

- (a) the conclusion of the next AGM at which time such authority shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting,

whichever occurs first.

The approval of the shareholders for the Proposed Renewal of Share Buy-back Authority does not impose an obligation on the Company to purchase its own shares. However, it will allow the Board to exercise the power of the Company to purchase its own shares at any time within the abovementioned timeframe.

3.3 Pricing

Pursuant to the Main Market Listing Requirements of Bursa Securities, Mulpha may only purchase its own shares at a price which is not more than 15% above the weighted average market price of the shares for the 5 market days immediately preceding the date of the purchase(s). In the case of a resale or transfer of treasury shares, the Company may only resell or transfer the treasury shares on Bursa Securities at:

- (a) a price which is not less than the weighted average market price of Mulpha shares for the 5 market days immediately before the resale or transfer; or
- (b) a discounted price of not more than 5% to the weighted average market price of Mulpha shares for the 5 market days immediately before the resale or transfer provided that:
 - (i) the resale or transfer takes place not earlier than 30 days from the date of purchase; and
 - (ii) the resale or transfer price is not less than the cost of purchase of the shares being resold or transferred.

3.4 Treatment of Purchased Mulpha shares

Pursuant to Section 127 of the Act, the Board will, at its discretion, deal with the purchased Mulpha shares in the following manner:

- (a) cancel all or part of the Mulpha shares so purchased; or
- (b) retain the Mulpha shares so purchased as treasury shares which may be distributed as share dividends to the shareholders and/or be resold on Bursa Securities and/or be cancelled subsequently; or
- (c) retain part of the Mulpha shares so purchased as treasury shares and cancel the remainder of the shares; or
- (d) such other manner as allowed by the Act and Bursa Securities from time to time.

In the event the Company ceases to hold all or part of the purchased Mulpha shares as a result of the above, the Company may further purchase and/or hold such additional number of Mulpha shares provided that the total Mulpha shares purchased (including those held as treasury shares) does not exceed 10% of the Company's total number of issued shares at the time of such purchase.

While the purchased Mulpha shares are held as treasury shares, the rights attached to them in relation to voting, dividends and participation in rights, allotments and/or other distributions are suspended, and the treasury shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of votes on resolutions at meetings of shareholders.

As at the date of this Statement, the Board has yet to make a decision with regard to the treatment of the purchased Mulpha shares and will take into consideration the effect of such treatment to Mulpha Group in arriving at its decision.

4. RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-back Authority will allow the Company to buy-back its own shares when the market does not fully reflect the value of the shares.

The purchased shares may be cancelled or held as treasury shares. If the shares so purchased are subsequently cancelled or during the period such shares are held as treasury shares, they may enhance the Company's earnings per share ("EPS"). If the shares so purchased are kept as treasury shares, the Company may have the opportunity to realise gains if these are resold on Bursa Securities at price(s) higher than their purchase price(s). Alternatively, the purchased shares may be distributed as share dividends to reward the shareholders of the Company.

5. SOURCE OF FUNDS FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The funding for the Proposed Renewal of Share Buy-back Authority will be from internally generated funds and/or bank borrowings, the proportion of which will be determined later depending on the number of Mulpha shares to be purchased, the purchase consideration and availability of internally generated funds.

The maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-back Authority shall not exceed the retained profits of the Company. Based on the latest audited financial statements for the financial year ended 31 December 2021, the retained profits of the Company stood at RM297.749 million.

In the event the purchase is funded by bank borrowings, the Company expects that it will be capable of repaying such borrowings and such borrowings are not expected to have any material effect on the cash flow of Mulpha Group.

6. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-back Authority will allow the Company to utilise its financial resources with no immediate use to purchase its own shares which will enhance the EPS of the Company.

The Proposed Renewal of Share Buy-back Authority will, however, reduce the financial resources of Mulpha which may result in Mulpha having to forgo future investment opportunities. It may also reduce the amount of financial resources available for working capital or distribution in the form of dividends to shareholders.

On the other hand, the financial resources may increase if the shares so purchased, held as treasury shares, are resold at prices higher than their purchase price.

The Board will be mindful of the interests of Mulpha and its shareholders in implementing the Proposed Renewal of Share Buy-back Authority.

7. EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

On the assumption that the Proposed Renewal of Share Buy-back Authority is carried out in full, the effects of the Proposed Renewal of Share Buy-back Authority on the share capital, net assets ("NA"), working capital, cash flow, earnings and shareholdings of Directors and substantial shareholders of Mulpha, are set out below:-

7.1 Share Capital

The Proposed Renewal of Share Buy-back Authority will result in a reduction of the total issued shares if the shares purchased are cancelled. For illustrative purposes, the existing total issued shares of the Company will be reduced as follows:-

	No. of Mulpha shares
Existing total number of issued shares as at 14 April 2022	311,178,230
Less: Maximum number of Mulpha shares that may be purchased pursuant to the Proposed Renewal of Share Buy-back Authority	<u>(31,117,823)</u>
Revised total number of issued shares	<u>280,060,407</u>

However, the Proposed Renewal of Share Buy-back Authority will not have any effect on the total issued shares of Mulpha if the Mulpha shares purchased are retained as treasury shares, resold or distributed as dividends.

7.2 NA

The NA per share of Mulpha Group will be reduced if the purchase price exceeds the NA per share at the time of purchase. Conversely, the NA per share will increase if the purchase price is less than the NA per share at the time of purchase.

Should the Mulpha shares purchased be held as treasury shares and subsequently resold on Bursa Securities, the NA per share of Mulpha Group will increase if the Company realises a gain from the resale, and vice versa.

7.3 Working Capital and Cash Flow

The Proposed Renewal of Share Buy-back Authority will reduce the working capital and cash flow of Mulpha Group, the quantum of which depends on, inter alia, the number of shares purchased and the purchase prices.

For shares purchased which are retained as treasury shares, upon resale, the working capital and cash flow of Mulpha Group will increase assuming that a gain has been realised. The quantum of the increase will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

7.4 Earnings

The impact on the earnings of the Company and Mulpha Group depends on the purchase prices, the number of shares purchased and the effective funding cost of the purchases.

All things being equal, where the shares purchased are retained as treasury shares or cancelled, the EPS will increase due to the lower number of shares applicable in computing the EPS.

7.5 Shareholdings of Directors and Substantial Shareholders

The effects of the Proposed Renewal of Share Buy-back Authority on the shareholdings of the Directors and substantial shareholders of the Company based on the Register of Directors' Shareholdings and Register of Substantial Shareholders as at 14 April 2022, assuming the Proposed Renewal of Share Buy-back Authority is implemented up to the maximum 10% of the total number of issued shares and the shares are bought back from shareholders other than the Directors and substantial shareholders of the Company, are as follows:-

	Before Proposed Renewal of Share Buy-back Authority				After Proposed Renewal of Share Buy-back Authority

8. IMPLICATION OF THE MALAYSIAN CODE ON TAKE-OVERS AND MERGERS 2016 AND RULES ON TAKE-OVERS, MERGERS AND COMPULSORY ACQUISITIONS (“THE CODE”)

Based on the Company's Register of Substantial Shareholders as at 14 April 2022, the provisions on mandatory take-over under the Code may be triggered by certain substantial shareholders together with persons acting in concert with them if the Proposed Renewal of Share Buy-back Authority exceeds a certain level. In this regard, the Board will ensure that the purchase of Mulpha shares is carried out after taking into consideration the provisions of the Code.

9. PUBLIC SHAREHOLDING SPREAD

As at 14 April 2022, the public shareholding spread of the Company was 43%. The public shareholding spread is expected to be reduced to 36% assuming the Proposed Renewal of Share Buy-back Authority is implemented in full and all the Mulpha shares so purchased are cancelled. The Board will ensure that the Company complies with the 25% public shareholding spread requirement.

10. HISTORICAL SHARE PRICES
