Ordinary Resolution 1 - The proposed Ordinary Resolution 1 is to approve the Directors' fees and benefits payable to the Non-Executive Directors ("NED") of up to an amount of RM500,000 with effect from the day after the AGM to the next AGM of the Company.

The fees and benefits payable to the NEDs of the Company are as follows:

- Monthly fixed fees for discharging duties as Director; and
- Meeting allowance for each Board/Board Committee/General Meeting attended.

Notice of Annual General Meeting

The shareholders at the Twenty-Second (“22nd”) AGM held on 31 May 2023 approved the Directors’ fees and benefits of up to RM500,000/- for the period from 1 June 2023 until the AGM for year 2024. The actual Directors’ fees and benefits paid to the NEDs for the period from 1 June 2023 until the 23rd AGM is RM227,500.

Details of the fees and benefits paid to the Non-Executive Directors for the financial year ended 31 December 2023 are disclosed on page 112 of the Overview Statement on Corporate Governance in the 2023 Annual Report.

The Directors’ fees and benefits for the Non-Executive Directors for the period from the day after the AGM to the next AGM in year 2025 are estimated not to exceed RM500,000. The calculation is based on the estimated number of scheduled Board and Board Committees’ meetings and on assumption that the number of the Non-Executive Directors will remain the same until the next AGM in year 2025.

The Board will seek shareholders’ approval at the next AGM in the event the proposed Directors’ fees and benefits are insufficient.

Ordinary Resolution 5 - The proposed Ordinary Resolution 5, if passed, will:

empower the Directors of the Company to allot and issue not more than 10% of the issued shares of the Company subject to the approvals of all the relevant governmental and/or other regulatory bodies and for such purposes as the Directors consider would be in the interest of the Company.

The authority, if granted, will enable quick and cost-efficient fundraising for funding future investment projects, working capital, acquisitions, or strategic opportunities involving equity deals, which may require issuance of new shares.

The authorisation, unless revoked or varied by the Company in a general meeting, will expire at the conclusion of the next AGM of the Company.

As of the date of printing of the Annual Report, no new share was issued by the Company pursuant to the authority granted to the Directors at the 22nd Annual General Meeting held on 31 May 2023 and the said authority will lapse at the conclusion of the 23rd AGM.

Ordinary Resolution 6 - The proposed Ordinary Resolution 6, if passed, will empower the Directors of the Company to purchase the Company’s shares up to ten percent (10%) of the total number of issued shares of the Company (“Proposed Share Buy-Back”) by utilising the funds allocated which shall not exceed the total retained earnings of the Company. Further information on the Proposed Shares Buy-Back is provided in the Share Buy-Back Statement to Shareholders dated 30 April 2024.

Ordinary Resolutions 7 & 8 - The proposed Ordinary Resolutions 7 & 8, if passed, will allow Dato’ Tan Yee Boon (“Dato’ Tan”) and Encik Suhaimi bin Badrul Jamil (“Encik Suhaimi”) to be retained and continue to act as Independent Non-Executive Directors of the Company.

Dato’ Tan has over 22 years of experience in both contentious and non-contentious legal matters specialising in corporate, commercial, litigation and advisory works. He has focused on matters such as initial public offering, transactions involving public listed companies, mergers and acquisitions and has represented various listed companies in matters relating to listing rules and the takeover code. In addition, Dato’ Tan also has extensive experience in compliance and advisory works for listed companies in Malaysia as well as general commercial work such as corporate restructuring and cross-border matters.

En Suhaimi is a highly accomplished and experienced leader with expertise in corporate transformation, value management, restructuring, finance, turnaround management, risk management, cross-border investments, mergers & acquisitions, and strategic management.

Notice of Annual General Meeting

His extensive background spans various industries, having served in key senior roles such as Group Financial Controller, Group General Manager, and Group Executive Director within a Malaysian conglomerate. The conglomerate operates in diverse sectors including property development, transportation, insurance and banking, plantation, construction, manufacturing, and investment holdings.

The Board of Directors has via the Nomination and Remuneration Committee conducted Directors' annual performance evaluation and assessment of both Dato' Tan and Encik Suhaimi, based on the following justifications:

- a. compliance with independence criteria set out in the Independence self-assessment test;
- b. compliance with criteria outlined in the Directors' Fit and Proper Policy;
- c. possession of sufficient self-esteem and confidence to stand up for an independent point of view;
- d. approach to any transaction that requires Board's approval with a vigilant eye and an inquisitive mind;
- e. unafraid to express an unpopular stance on issues or express disagreement on matters and actively pursue them with the rest of the Board; and
- f. do not hesitate to ask hard and uncomfortable questions during board deliberations.

The Board believes that the skills, competence, experience and familiarity with the fundamentals of the Group's business possessed by Dato' Tan and Encik Suhaimi are crucial for effective decision making. Furthermore, the Board is of the opinion that their long service does not compromise their independence, and they consistently provide the required checks and balances as Independent Directors of the Company. Consequently, the Board recommends their continuation as Independent Non-Executive Directors of the Company.
