Analyst

Adam Bin Mohamed Rahim +603 2302 8101 adam.mohamed.rahim@rhbgroup.com

• Still BUY and MYR5.50 TP, 26% upside and c.3% FY25F yield. We expect 4Q24 core net profit to be in a MYR55-65m range, which translates to a QoQ

growth of 60-90% but YoY dip of 12-25%. The QoQ profit growth is backed by better progress for Sunway Construction's ongoing data centre (DC) jobs, particularly JHB1X0. We believe other DC projects will ramp up in FY25, fuelling a projected 53% YoY earnings growth for the year.

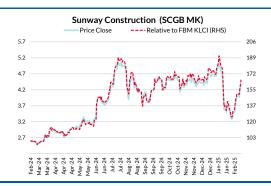

Sunway Construction (SCGB MK)

Expecting a Stronger QoQ Growth In 4Q; Still BUY

- We estimate better-than-expected progress in 4Q24 for its first package of the JHB1X0 DC job in Johor worth MYR1.7bn. JHB1X0's first package hit a 36.5% completion rate as at end 3Q24 vs a progress that only hovered between 14.1% and 14.7% from end 4Q23 to end 2Q24 (Figure 2). As such, we envisage the completion rate for said package to be at least 45% - or as high as 60% - due to the accelerated nature of DC construction jobs.
- Moving forward, we view SCGB as having a chance to clinch future expansion works for the JHB1X0 DC (client from a tier-1 country that could be eligible for validated end-user status with regards to US chip restrictions), as we gathered that total planned capacity is at c.200-300MW. Based on our projections, SCGB's MYR3.9bn in total jobs awards so far for this DC is estimated at between 100MW and 150MW of capacity contracted out.
- Additional DC opportunities appear ample in Johor. Aside from AirTrunk, which announced its second DC (scalable capacity of up to 270MW in Iskandar Puteri), we understand that EdgeConneX has plans to set up a DC in the state with a 36MW capacity, which may be scaled up to 160MW. Hence, we see SCGB as a strong front runner as a contractor, given that it has clinched MYR3.9bn worth of DC jobs in Johor so far.
- Additionally, other potential jobs for SCGB include Segment 2 of the Penang Light Rail Transit project, upcoming medical centres by Sunway (SWB MK, BUY, TP: MYR5.77), and the potential expansion of the latter's Sunway City Ipoh Mall. We also do not discount the possibility of SCGB being involved in SWB's integrated mixed-use development in Bukit Chagar, Johor Bahru (GDV: MYR2.6bn), given the group's track record for MYR1.2bn worth of completed jobs at Sunway City Iskandar Puteri. Therefore, we believe our MYR5bn job replenishments target for SCGB in FY25 is achievable.
- There are no changes to our estimates. Hence, our MYR5.50 TP (which bakes in a 6% ESG premium) remains. The latter is derived by pegging the FY25F EPS to an unchanged 27x P/E target. The stock currently trades at a 22.8x FY25F P/E or a premium from the Bursa Malaysia Construction Index's 10-year mean of 14x. We think this is justified, given SCGB's ROE, which is significantly higher than its peers, as well as its position to benefit from an array of catalysts, ie infrastructure, residential, and industrial. Key risk: Lower-than-expected job wins.

Latest ESG-Related Developments

With an increasing spotlight on ESG adoption across SCGB's entire supply chain, the group has conducted social assessments on its contractors and suppliers in FY23, particularly in relation to forced and bonded labour, as well as workers' accommodations. Having surveyed close to 80% of its active business partners, SCGB has identified potential gaps in labour standards and management within the supply chain.

ESG Unbundled

Overall ESG Score: 3.3 (out of 4)

Last Updated: 16 February 2025

E Score: 3.4 (EXCELLENT)

Implemented rooftop solar panels at its Sunway Precast Industries plant at Senai, Johor, to reduce the carbon emissions of site operations. With this, 98.6MWh of energy can be consumed via solar generation at this plant, avoiding 57.7 tonnes of carbon emissions. In FY21, the group guided that its carbon emission intensity per unit revenue has declined from 98 tonnes carbon dioxide per MYRm.

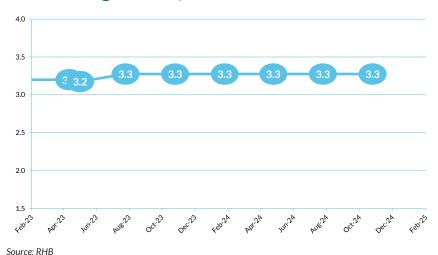

S Score: 3.0 (GOOD)

The group ensures the safety and health of all its employees, and public areas surrounding its construction sites via various training and safety programmes. Apart from up-to-standard health & safety policies, we see active community engagement and efforts to uplift employee relations.

G Score: 3.3 (EXCELLENT)

57% of its board members are independent, with full disclosures on director remunerations, including salaries and bonuses. SCGB has an in-house investor relations team. Accessibility to investor relations is excellent, and the team helping to deal with most investor queries.

Construction & Engineering
Sunway Construction
SCGB MK
Buy

Valuation basis

We value the company based on an FY25F P/E of 27x. SCGB's minimal net debt position allows it to gear up for more jobs moving forward.

Key drivers

SCGB's earnings are backed by:

- i. An outstanding order backlog of MYR7.1bn, of which >90% is from construction, which would keep the firm busy for the next three years;
- ii. Recurring orders from its parent company.

Key risks

Lower-than-expected job wins.

Company Profile

SCGB is one of Malaysia's largest construction companies. Apart from civil & infrastructure construction services, the group also provides the more specialised: i) Foundation & geotechnical engineering services; and ii) mechanical, electrical, and plumbing or MEP services. In addition, it runs highly profitable precast concrete product manufacturing operations in Malaysia and Singapore. Aside from fulfilling local requirements, the group also largely supplies hose concrete products for Housing & Development Board (HDB) projects in Singapore.

RHB Guide to Investment Ratings

Buy: Share price may exceed 10% over the next 12 months

Trading Buy: Share price may exceed 15% over the next 3 months, however longer-

term outlook remains uncertain

Neutral: Share price may fall within the range of +/- 10% over the next

12 months

 Take Profit:
 Target price has been attained. Look to accumulate at lower levels

 Sell:
 Share price may fall by more than 10% over the next 12 months

Not Rated: Stock is not within regular research coverage

Investment Research Disclaimers

RHB has issued this report for information purposes only. This report is intended for circulation amongst RHB and its affiliates' clients generally or such persons as may be deemed eligible by RHB to receive this report and does not have regard to the specific investment objectives, financial situation and the particular needs of any specific person who may receive this report. This report is not intended, and should not under any circumstances be construed as, an offer or a solicitation of an offer to buy or sell the securities referred to herein or any related financial instruments.

This report may further consist of, whether in whole or in part, summaries, research, compilations, extracts or analysis that has been prepared by RHB's strategic, joint venture and/or business partners. No representation or warranty (express or implied) is given as to the accuracy or completeness of such information and accordingly investors should make their own informed decisions before relying on the same.

This report is not directed to, or intended for distribution to or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to the applicable laws or regulations. By accepting this report, the recipient hereof (i) represents and warrants that it is lawfully able to receive this document under the laws and regulations of the jurisdiction in which it is located or other applicable laws and (ii) acknowledges and agrees to be bound by the limitations contained herein. Any failure to comply with these limitations may constitute a violation of applicable laws.

All the information contained herein is based upon publicly available information and has been obtained from sources that RHB believes to be reliable and correct at the time of issue of this report. However, such sources have not been independently verified by RHB and/or its affiliates and this report does not purport to contain all information that a prospective investor may require. The opinions expressed herein are RHB's present opinions only and are subject to change without prior notice. RHB is not under any obligation to update or keep current the information and opinions expressed herein or to provide the recipient with access to any additional information. Consequently, RHB does not guarantee, represent or warrant, expressly or impliedly, as to the adequacy, accuracy, reliability, fairness or completeness of the information and opinion contained in this report. Neither RHB (including its officers, directors, associates, connected parties, and/or employees) nor does any of its agents accept any liability for any direct, indirect or consequential losses, loss of profits and/or damages that may arise from the use or reliance of this research report and/or further communications given in relation to this report. Any such responsibility or liability is hereby expressly disclaimed.

Whilst every effort is made to ensure that statement of facts made in this report are accurate, all estimates, projections, forecasts, expressions of opinion and other subjective judgments contained in this report are based on assumptions considered to be reasonable and must not be construed as a representation that the matters referred to therein will occur. Different assumptions by RHB or any other source may yield substantially different results and recommendations contained on one type of research product may differ from recommendations contained in other types of research. The performance of currencies may affect the value of, or income from, the securities or any other financial instruments referenced in this report. Holders of depositary receipts backed by the securities discussed in this report assume currency risk. Past performance is not a guide to future performance. Income from investments may fluctuate. The price or value of the investments to which this report relates, either directly or indirectly, may fall or rise against the interest of investors.

This report may contain comments, estimates, projections, forecasts and expressions of opinion relating to macroeconomic research published by RHB economists of which should not be considered as investment ratings/advice and/or a recommendation by such economists on any securities discussed in this report.

This report does not purport to be comprehensive or to contain all the information that a prospective investor may need in order to make an investment decision. The recipient of this report is making its own independent assessment and decisions regarding any securities or financial instruments referenced herein. Any investment discussed or recommended in this report may be unsuitable for an investor depending on the investor's specific investment objectives and financial position. The material in this report is general information intended for recipients who understand the risks of investing in financial instruments. This report does not take into account whether an investment or course of action and any associated risks are suitable for the recipient. Any recommendations contained in this report must therefore not be relied upon as investment advice based on the recipient's personal circumstances. Investors should make their own independent evaluation of the information contained herein, consider their own investment objective, financial situation and particular needs and seek their own financial, business, legal, tax and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

This report may contain forward-looking statements which are often but not always identified by the use of words such as "believe", "estimate", "intend" and "expect" and statements that an event or result "may", "will" or "might" occur or be achieved and other similar expressions. Such forward-looking statements are based on assumptions made and information currently available to RHB and are subject to known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievement to be materially different from any future results, performance or achievement, expressed or implied by such forward-looking statements. Caution should be taken with respect to such statements and recipients of this report should not place undue reliance on any such forward-looking statements. RHB expressly disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

The securities mentioned in this publication may not be eligible for sale in some states or countries or certain categories of investors. The recipient of this report should have regard to the laws of the recipient's place of domicile when contemplating transactions in the securities or other financial instruments referred to herein. The securities discussed in this report may not have been registered in such jurisdiction. Without prejudice to the foregoing, the recipient is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

The term "RHB" shall denote, where appropriate, the relevant entity distributing or disseminating the report in the particular jurisdiction referenced below, or, in every other case, RHB Investment Bank Berhad and its affiliates, subsidiaries and related companies.

RESTRICTIONS ON DISTRIBUTION

Malaysia

This report is issued and distributed in Malaysia by RHB Investment Bank Berhad ("RHBIB"). The views and opinions in this report are our own as of the date hereof and is subject to change. If the Financial Services and Markets Act of the United Kingdom or the rules of the Financial Conduct Authority apply to a recipient, our obligations owed to such recipient therein are unaffected. RHBIB has no obligation to update its opinion or the information in this report.

Indonesia

This report is issued and distributed in Indonesia by PT RHB Sekuritas Indonesia. This research does not constitute an offering document and it should not be construed as an offer of securities in Indonesia. Any securities offered or sold, directly or indirectly, in Indonesia or to any Indonesian citizen or corporation (wherever located) or to any

Indonesian resident in a manner which constitutes a public offering under Indonesian laws and regulations must comply with the prevailing Indonesian laws and regulations.

Singapore

This report is issued and distributed in Singapore by RHB Bank Berhad (through its Singapore branch) which is an exempt capital markets services entity and an exempt financial adviser regulated by the Monetary Authority of Singapore. RHB Bank Berhad (through its Singapore branch) may distribute reports produced by its respective foreign entities, affiliates or other foreign research houses pursuant to an arrangement under Regulation 32C of the Financial Advisers Regulations. Where the report is distributed in Singapore to a person who is not an Accredited Investor, Expert Investor or an Institutional Investor, RHB Bank Berhad (through its Singapore branch) accepts legal responsibility for the contents of the report to such persons only to the extent required by law. Singapore recipients should contact RHB Bank Berhad (through its Singapore branch) in respect of any matter arising from or in connection with the report.

United States

This report was prepared by RHB is meant for distribution solely and directly to "major" U.S. institutional investors as defined under, and pursuant to, the requirements of Rule 15a-6 under the U.S. Securities and Exchange Act of 1934, as amended (the "Exchange Act") via a registered U.S. broker-dealer as appointed by RHB from time to time. Accordingly, any access to this report via Bursa Marketplace or any other Electronic Services Provider is not intended for any party other than "major" US institutional investors (via a registered U.S broker-dealer), nor shall be deemed as solicitation by RHB in any manner. RHB is not registered as a broker-dealer in the United States and currently has not appointed a U.S. broker-dealer. Additionally, RHB does not offer brokerage services to U.S. persons. Any order for the purchase or sale of all securities discussed herein must be placed with and through a registered U.S. broker-dealer as appointed by RHB from time to time as required by the Exchange Act Rule 15a-6. For avoidance of doubt, RHB reiterates that it has not appointed any U.S. broker-dealer during the issuance of this report. This report is confidential and not intended for $distribution \ to, or \ use \ by, persons \ other \ than \ the \ recipient \ and \ its \ employees, agents \ and$ advisors, as applicable. Additionally, where research is distributed via Electronic Service Provider, the analysts whose names appear in this report are not registered or qualified as research analysts in the United States and are not associated persons of any registered U.S. broker-dealer as appointed by RHB from time to time and therefore may not be subject to any applicable restrictions under Financial Industry Regulatory Authority ("FINRA") rules on communications with a subject company, public appearances and personal trading. Investing in any non-U.S. securities or related financial instruments discussed in this research report may present certain risks. The securities of non-U.S. issuers may not be registered with, or be subject to the regulations of, the U.S. Securities and Exchange Commission. Information on non-U.S. securities or related financial instruments may be limited. Foreign companies may not be subject to audit and reporting standards and regulatory requirements comparable to those in the United States. The financial instruments discussed in this report may not be suitable for all investors. Transactions in foreign markets may be subject to regulations that differ from or offer less protection than those in the United States.

DISCLOSURE OF CONFLICTS OF INTEREST

RHB Investment Bank Berhad, its subsidiaries (including its regional offices) and associated companies, ("RHBIB Group") form a diversified financial group, undertaking various investment banking activities which include, amongst others, underwriting, securities trading, market making and corporate finance advisory.

As a result of the same, in the ordinary course of its business, any member of the RHBIB Group, may, from time to time, have business relationships with, hold any positions in the securities and/or capital market products (including but not limited to shares, warrants, and/or derivatives), trade or otherwise effect transactions for its own account or the account of its customers or perform and/or solicit investment, advisory or other services from any of the subject company(ies) covered in this research report.

While the RHBIB Group will ensure that there are sufficient information barriers and internal controls in place where necessary, to prevent/manage any conflicts of interest to ensure the independence of this report, investors should also be aware that such conflict of interest may exist in view of the investment banking activities undertaken by the RHBIB Group as mentioned above and should exercise their own judgement before making any investment decisions.

In Singapore, investment research activities are conducted under RHB Bank Berhad (through its Singapore branch), and the disclaimers above similarly apply.

Malaysia

Save as disclosed in the following link <u>RHB Research Conflict Disclosures - Feb 2025</u> and to the best of our knowledge, RHBIB hereby declares that:

- RHBIB does not have a financial interest in the securities or other capital market products of the subject company(ies) covered in this report.
- RHBIB is not a market maker in the securities or capital market products of the subject company(ies) covered in this report.
- None of RHBIB's staff or associated person serve as a director or board member* of the subject company(ies) covered in this report
