He also highlighted certain key ground rules for the conduct of the Meeting.

2. QUORUM

The requisite quorum being present, Tan Sri Chairman declared the Meeting duly convened.

3. CONFIRMATION OF PROXIES

The Secretary reported that up to 25 September 2018 at 3:00 pm, the Manager had received a total of 2,202,434,457 units in proxies from the unitholders and a total of 401,123,972 units appointing Tan Sri Chairman as proxy.

4. NOTICE OF MEETING AND VOTING PROCEDURES

The notice convening the Meeting was tabled and taken as read.

Tan Sri Chairman informed the Unitholders that all the resolutions tabled before the Meeting would be voted by poll using electronic means ("**e-Voting**"). Sunway REIT has appointed Messrs. BDO Governance Advisory Sdn Bhd as Independent Scrutineers to verify the poll results. Tan Sri Chairman informed that the e-Voting system had been thoroughly tested and proven reliable by the Independent Scrutineers. He then invited Ms Joey Wong from the Unit Registrar to brief the Unitholders on the e-Voting procedures.

ORDINARY BUSINESS:

5. AUDITED FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 30 JUNE 2018 OF SUNWAY REIT TOGETHER WITH THE REPORTS OF MANAGER, TRUSTEE AND AUDITORS THEREON ("AFS FY2018")

Tan Sri Chairman briefed the Unitholders that the first agenda was to receive the AFS FY2018 and then opened the floor for questions in relation to the AFS FY2018.

The following enquiries raised by the Unitholders were addressed by Dato' Jeffrey Ng Tiong Lip ("**Dato' Jeffrey**") and the CFO:

- (i) Would Sunway REIT be able to sustain the distribution per unit ("**DPU**") growth (FY2018: 4.1% year-over-year growth to 9.57 sen) and maintain the distribution yield (FY2018: 5.4%) moving forward?

The Manager remains cautious as:

- (a) the market was envisaged to remain challenging. Under the administration of the new government, transitional uncertainties might arise in the near term including potential variations to policies and plans that might impact the overall business strategy of Sunway REIT;
- (b) the tremendous new supply of retail, hotel and office spaces in the market had led to fundamentally challenging oversupply situation; and
- (c) the operating costs keep increasing, e.g. properties' enhancement activities and minimum wage while the rent stay unchanged or maintain at single-digit reversion;

The Manager was working very hard in cost containment in order to achieve the financial targets for FY2019. Given that Sunway REIT has the first right of refusal to acquire Sunway's ("**Sponsor**") properties, the Manager has also continuously engaged with the Sponsor to assess the readiness of the pipeline assets for injection into Sunway REIT as the DPU could only be improved through yield accretive acquisitions.

In view of the above, the Manager was cautious of the prospects of Sunway REIT and would endeavour to maintain the DPU in FY2019.

- (ii) What was the progress of the expansion of Sunway Carnival Shopping Mall?

The progress of the construction works was well within the timeline. The groundbreaking ceremony was held in early March 2018 followed by the commencement of the construction works thereafter. The project was currently at the piling stage and the expansion of the new wing was scheduled to be completed in the first half of FY2021.

- (iii) Was Sunway REIT looking at other greenfield development?

Sunway REIT has embarked on the greenfield development last year with the expansion of Sunway Carnival Shopping Mall. However, the primary investment objective of Sunway REIT was to acquire assets that could generate immediate return instead of to take on greenfield development that might only accrete in the long run.

- (iv) Why no business presence in Johor Bahru?

Sunway REIT has a strong stream of assets for potential injection as it has the first right of refusal to acquire Sponsor's properties. The Manager would consider to acquire assets located in master planned Sunway Iskandar township when the Sponsor was ready to sell those assets to Sunway REIT as Sunway Iskandar was an integrated township comprises of residential, commercial, education, hospitality, retail, healthcare and leisure properties. This would allow Sunway REIT to further leverage on township synergies.

- (v) What were the reasons for the increased in total borrowings from RM2.344 billion in FY2017 to RM2.903 billion in FY2018 (page 103 of the 2018 Annual Report)?

Sunway REIT's outstanding borrowings increased by RM559 million during the financial year was mainly due to the drawdown of borrowings for the acquisitions of Sunway REIT Industrial - Shah Alam 1, Sunway Clio Property and capital expenditure. However, despite a higher gearing ratio, Sunway REIT managed to keep the average cost of funding low, being one of the lowest cost of debt at 3.98% against other REITs in Malaysia.

- (vi) Why the financial highlights in the abridged 2018 Annual Report was quoted in the United States dollar ("**USD**")?

The purpose of translating the financial highlights into USD was to provide better understanding of the financial performance of Sunway REIT to the potential investors as well as to attract more foreign investment.

Subsequent to the clarifications provided by Dato' Jeffrey and the CFO to the queries raised by the Unitholders, the AFS FY2018 was received.

SPECIAL BUSINESS:

Tan Sri Chairman briefed the Unitholders that the third agenda was to seek the approval of the Unitholders for Sunway REIT to enter into recurrent related party transactions of a revenue or trading nature and which was necessary for day-to-day operations of Sunway REIT (“**Proposed Mandate**”). There were procedures in place to ensure that the recurrent related party transactions were undertaken on an arm’s length basis, on Sunway REIT’s normal commercial terms which were not more favorable to the related parties than those generally available to the public and were not detrimental to the minority unitholders of Sunway REIT. Sunway REIT Holdings Sdn Bhd, being the interested Major Unitholder would abstain from voting in respect of its direct and/or indirect unitholding in Sunway REIT on this resolution.

He then opened the floor for questions. Since there were no queries raised by the Unitholders, the Meeting proceeded with the voting process.
