The Manager has and will continue to discuss with the Related Parties to actively pursue for early settlement of the outstanding amount due. The Board is of the opinion that there will be no recoverability issue as the overdue amount is closely monitored by the Manager and the Manager is optimistic that the amount is recoverable.

2.5 Review procedures in relation to RRPT

The Manager has established procedures for Sunway REIT to ensure that the RRPT are undertaken on an arm's length basis, on Sunway REIT's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT.

To monitor the RRPT, the procedures established by the Manager for Sunway REIT are as follows:

- (i) a list of Related Parties will be circulated by the Manager to notify that all RRPT are required to be undertaken on an arm's length basis, on Sunway REIT's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT;
- (ii) rental or lease of properties owned by Sunway REIT shall be at prevailing market rates for the same or substantially similar properties and shall be on normal commercial terms. In the event that any space is vacant for more than 3 months and suitable third party tenants are unable to be secured, taking into account the circumstances of the location, available facilities and other relevant considerations, a written recommendation may be made to the Manager for approval of tenancy to Related Parties, subject to the terms being in accordance with prevailing commercial norms and at rates reflecting the market conditions which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT;
- (iii) in relation to investment in money market instrument with any Related Parties, benchmark rates of the same and/or similar nature shall be obtained, whenever possible, from published information and financial institutions. Such investments with Related Parties will only be made if the rate offered is competitive compared to the benchmark rates;
- (iv) at least 2 other contemporaneous transactions with unrelated third parties for similar products or services and/or quantities will be used as comparison, whenever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of

produces/services and/or quantities. If quotations or comparative pricing from unrelated third parties cannot be obtained, the price and terms of the RRPT will be in accordance with applicable industry norms, prevailing commercial rates and at rates not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT;

- (v) for the award of construction contracts and related services in connection with property development and investment projects, the Manager will prepare internal project budget that has been validated by the third-party cost consultant/quantity surveyor to form the basis for comparison with tenders received. Tenders are invited for all projects and they are evaluated based on pricing as well as technical and financial capabilities of the tenderers. The whole process of project budgeting, tendering, evaluation and selection of tenderer is reviewed and approved based on the standard operating procedures of Sunway REIT;
- (vi) for the award of contracts on a turnkey or PDP basis, an independent cost consultant/quantity surveyor will be appointed to review the cost to ensure that the contracts are undertaken on normal commercial terms;
- (vii) in an open tender exercise when only 1 related party has tendered for a project, the cost/pricing must be certified by an independent cost consultant/quantity surveyor to ensure that the cost/pricing is competitive or alternatively, the pricing could be based on the rate secured from a previous tender within the preceding 12 months;
- (viii) for VOs, the Manager will review and validate the VOs that have been evaluated by the relevant project consultants according to the construction contracts or applicable industry norms and prevailing commercial rates, which are subsequently reviewed and approved by applicable personnel of managerial level and/or the Audit Committee in accordance with the standard operating procedures of Sunway REIT;
- (ix) proper records will be maintained by the Manager to capture all RRPT entered into pursuant to the Proposed Unitholders' Mandate to ensure that relevant approvals have been obtained and review procedures for such transactions are adhered to;
- (x) the Audit Committee of the Manager shall review the internal audit reports to ascertain that the guidelines and procedures established to monitor RRPT have been complied with and the review shall be done at every quarter together with the review of the quarterly results. Further, if during the periodic review, the Audit Committee of the Manager is of the view that the abovementioned procedures are no longer sufficient to ensure that the RRPT are undertaken on an arm's length basis, on Sunway REIT's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT, the Audit Committee shall have the discretion to request for additional procedures to be imposed on all the RRPT. In that event, such procedures may be implemented without the approval of unitholders of Sunway REIT, provided that they are more stringent than the existing procedures;
- (xi) all RRPT with value equal to or exceeding RM1 million per transaction or where any one of the percentage ratios is 1% or more, whichever is higher, are reviewed and approved by the Audit Committee to ensure compliance with the Listing Requirements on RRPT. RRPTs below RM1 million or percentage ratio of less than 1%, whichever is higher, are reviewed and authorised by different personnel of managerial level;

- (xii) the internal auditor shall periodically review the guidelines and procedures for all RRPT entered into pursuant to the Proposed Unitholders' Mandate to ensure that relevant approvals have been obtained, review procedures for such transactions are adhered to and ascertain that the guidelines established to monitor RRPT have been complied with;
- (xiii) the interested Director in the RRPT must abstain from the Board's deliberation and voting on the resolution(s) for the RRPT. - (xiv) the Persons Connected of any interested Director and/or Major Unitholder must not vote at the general meeting on the resolution pertaining to the Proposed Unitholders' Mandate. It is the duty of the interested Director and interested Major Unitholder to ensure that Persons Connected with them abstain from voting on the resolution pertaining to the Proposed Unitholders' Mandate.

2.6 Audit Committee's Statement

The Audit Committee of the Manager has reviewed and considered the procedures set out in Section 2.5 of this Circular and is of the view that:

- (i) the procedures are sufficient to ensure that the RRPT are undertaken on an arm's length basis, on Sunway REIT's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT; and
- (ii) the Manager has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner. Such procedures and processes are reviewed by the Audit Committee and/or the management staff of the Manager on a yearly basis and as and when required.

3. RATIONALE AND BENEFITS OF THE PROPOSED UNITHOLDERS' MANDATE

The RRPT referred to in Section 2.3 of this Circular is intended to meet the business needs of Sunway REIT on the best possible terms and for Sunway REIT to explore beneficial business opportunities with the Related Parties.

The Proposed Unitholders' Mandate will also:

- (i) facilitate transactions entered into in the ordinary course of business of Sunway REIT which are transacted from time to time with the Related Parties provided that such transactions are undertaken on an arm's length basis, on Sunway REIT's normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority unitholders of Sunway REIT;
- (ii) eliminate the need to make announcements to Bursa Securities or to convene separate general meetings from time to time to seek your approval as and when RRPT with the Related Parties arise. This will reduce the associated expenses, improve administrative efficiency and allow manpower, resource and time to be better channelled towards achieving other corporate objectives; and
- (iii) enable Sunway REIT to enter into recurrent transaction expediently as these transactions are time sensitive and confidential in nature. Hence, it may be impractical to seek your approval on a case by-case basis before entering into such transaction.

4. VALIDITY PERIOD FOR THE PROPOSED UNITHOLDERS' MANDATE

The resolution pertaining to the Proposed Unitholders' Mandate, if approved by you, shall take effect from 25 April 2024, being the date of passing of the ordinary resolution proposed at the forthcoming 11th AGM to approve the Proposed Unitholders' Mandate and shall only continue to be in force until:

- (i) the conclusion of the next AGM of Sunway REIT following the forthcoming 11th AGM at which such ordinary resolution is passed to effect the Proposed Unitholders' Mandate, at which time it will lapse, unless by a resolution passed at the general meeting, the Proposed Unitholders' Mandate is renewed;
- (ii) the expiration of the period within which the next AGM of Sunway REIT is required by law to be held; or
- (iii) the Proposed Unitholders' Mandate is revoked or varied by a resolution passed by you in general meeting,

whichever is the earlier.

5. EFFECTS OF THE PROPOSED UNITHOLDERS' MANDATE

The Proposed Unitholders' Mandate will not have any material effect on the issued unit capital of Sunway REIT, Major Unitholders' unitholdings and NAV, gearing and EPU of Sunway REIT.

3. MATERIAL LITIGATION

Save as disclosed below, as at the LPD, Sunway REIT are not engaged in any material litigation, claim or arbitration, either as plaintiff or defendant, which has or would have a material and adverse effect on the financial position or business of Sunway REIT and, to the best of the Board's knowledge and belief, the Board confirmed that there are no proceedings pending or threatened against Sunway REIT or any facts likely to give rise to any proceedings which materially and adversely affect the financial position or business of Sunway REIT:

Metroplex Holdings Sdn Bhd (“Metroplex”) v Trustee and Manager (collectively, the “Defendants”)

On 28 September 2015, Metroplex filed a writ of summons and a statement of claim against the Defendants to claim, amongst others, damages for various chattels and movable items (i.e. furniture and office equipment, decorations, cutlery, kitchen equipment, bar equipment, concierge and reception tables, blinds and curtains) (“**Chattels and Movable Items**”) which Metroplex alleged the Chattels and Movable Items were acquired and owned by them and were not removed when the Defendants took possession of the hotel at Sunway Putra on 27 September 2011. Metroplex has in its statement of claim alleged that the Chattels and Movable Items were worth in excess of RM80 million as at September 2011.

On 3 November 2017, the High Court allowed Metroplex's claim on liability in which the damages to be awarded to Metroplex shall be assessed (“**High Court's Decision**”).

Subsequently, the Defendants appealed to the Court of Appeal against the High Court's Decision on 6 November 2017. The Court of Appeal allowed the Defendants' appeal and the High Court's Decision was set aside on 22 January 2019 (“**Court of Appeal's Decision**”).

On 20 February 2019, Metroplex filed motion for leave to appeal to the Federal Court against the Court of Appeal's Decision (“**Motion**”). The Motion was allowed on 25 November 2019. Subsequently, Metroplex filed notice of appeal to appeal against the Court of Appeal's Decision on 2 December 2019 (“**Appeal**”). The hearing for the Appeal was fixed on 31 March 2021.

On 31 March 2021, the Federal Court allowed Metroplex's appeal by setting aside the Court of Appeal's Decision, restoring the High Court's Decision and ordered the assessment of damages against the Defendants to proceed before the High Court (“**Assessment**”). In Metroplex's claim, Metroplex is claiming for the Chattels and Movable Items amounting to approximately RM402 million. The Defendants strenuously objected to the amount claimed as being overly excessive and appointed subject matter experts to dispute the quantum of claim.

The trial for the Assessment was held on 4, 5, 6, 12 and 13 January 2023. Upon conclusion of the trial, the High Court judge directed the Defendants and Metroplex to appear before the High Court for oral submission on 9 and 15 May 2023. After hearing oral submissions by both parties, the Judge then proceeded to fix the date for the decision to be delivered. At this stage, the financial impact cannot be determined pending the outcome of the decision of the High Court, which has been adjourned to 30 May 2024.
